

CONTRA COSTA LOCAL AGENCY FORMATION COMMISSION
EXECUTIVE OFFICER'S REPORT

April 9, 2008 (Agenda)

<u>LAFCO 08-06</u>	Crist Annexation to County Service Area (CSA) L-100
<u>PROPOSERS</u>	James Crist and Stuart McPherson – landowners/petitioners
<u>ACREAGE & LOCATION</u>	Approximately one acre located at 165 South Avenue in unincorporated Alamo (APN 198-081-005)
<u>PURPOSE</u>	Provide streetlighting in conjunction with the development of a single-family dwelling unit and to comply with a County condition of approval.
<u>SYNOPSIS</u>	

This is a proposal to annex territory into CSA L-100. A condition of approval of the land use permit requires annexation to CSA L-100, which provides streetlighting services in the unincorporated area. The site is within the District's sphere of influence and inside the County Urban Limit Line.

PROPOSAL INFORMATION:

1. Land Use, Planning and Zoning - Present and Future:

The annexation area currently contains a single family residence. The landowner received approval from the County to subdivide the site into two parcels, and build a single-family residential unit. The site is zoned Single Family Residential District (R-20).

The General Plan designation is Single Family Residential Low Density.

The project site is bounded on all sides by single family low density residential development.

The existing and proposed uses are consistent with the County zoning and land use designations.

2. Topography, Natural Features and Drainage Basins

In accordance with the County's conditions of approval, both of the new units will slope from rear to front by approximately three feet in order to collect and convey stormwater. Surrounding topography is relatively flat.

3. Population:

Due to the nature of the proposal, an estimated increase in population of approximately 2-3 people will result.

4. Governmental Services and Controls - Need, Cost, Adequacy and Availability:

The plan for providing services within the affected territory, as required by Government Code §56653, is on file. The level and range of services will be similar to those provided by CSA L-100 to developed properties currently within its boundaries.

5. Assessed Value, Tax Rates and Indebtedness:

The area is within tax rate area 66015. The assessed value for the parcel is \$1,938,000 (current tax roll). Overall tax rates will not be changed by the annexation.

6. Environmental Impact of the Proposal:

In April, 2007, Contra Costa County, as Lead Agency, prepared an Initial Study and Negative Declaration for land use entitlements on the site. This included analysis of some LAFCO related issues, but did not specifically mention LAFCO or the LAFCO actions. A copy of this document is available for review in the LAFCO office.

The LAFCO Environmental Coordinator reviewed the proposed LAFCO project to determine whether there was a potential for any adverse environmental impacts. It can be seen with certainty that the LAFCO action will have no significant impacts. For this reason, the General Rule Exemption from CEQA pursuant to Government Code Section 15061(b)(3) is recommended.

7. Landowner Consent and Registered Voters:

The property owners have given written consent to the boundary change. The annexing agency consents to the waiver of conducting authority proceedings. The territory is uninhabited; namely, there are fewer than 12 registered voters.

8. Boundaries and Lines of Assessment:

There are no conflicts with lines of assessment or ownership. A map to implement this change has been approved by the County Surveyor.

ALTERNATIVES FOR COMMISSION ACTION:

After consideration of this report and any testimony or additional materials that are submitted the Commission should consider taking one of the following options:

Option 1 Approve the annexation as submitted.

- A. Find the proposal to be exempt from CEQA pursuant to Government Code §15061(b)(3).

- B. Adopt this report and approve the proposal, to be known as the Crist Annexation to County Service Area L-100, subject to the following terms and conditions:
1. Determine that the territory being annexed shall be liable for any authorized or existing taxes, assessments and charges comparable to properties presently within the annexing agency.
 2. Prior to recordation, the applicant shall deliver an executed indemnification agreement between the applicant and Contra Costa LAFCO providing for the applicant to indemnify LAFCO against any expenses arising from any legal actions challenging the annexation.
- C. Find: 1) the subject territory is uninhabited, 2) all affected landowners have consented to the annexation and 3) the annexing agency has consented to the waiver of conducting authority proceedings.
- D. Waive conducting authority proceedings and direct the staff to complete the proceeding.

Option 2 Adopt this report and DENY the proposal.

Option 3 If the Commission needs more information, CONTINUE this matter to a future meeting.

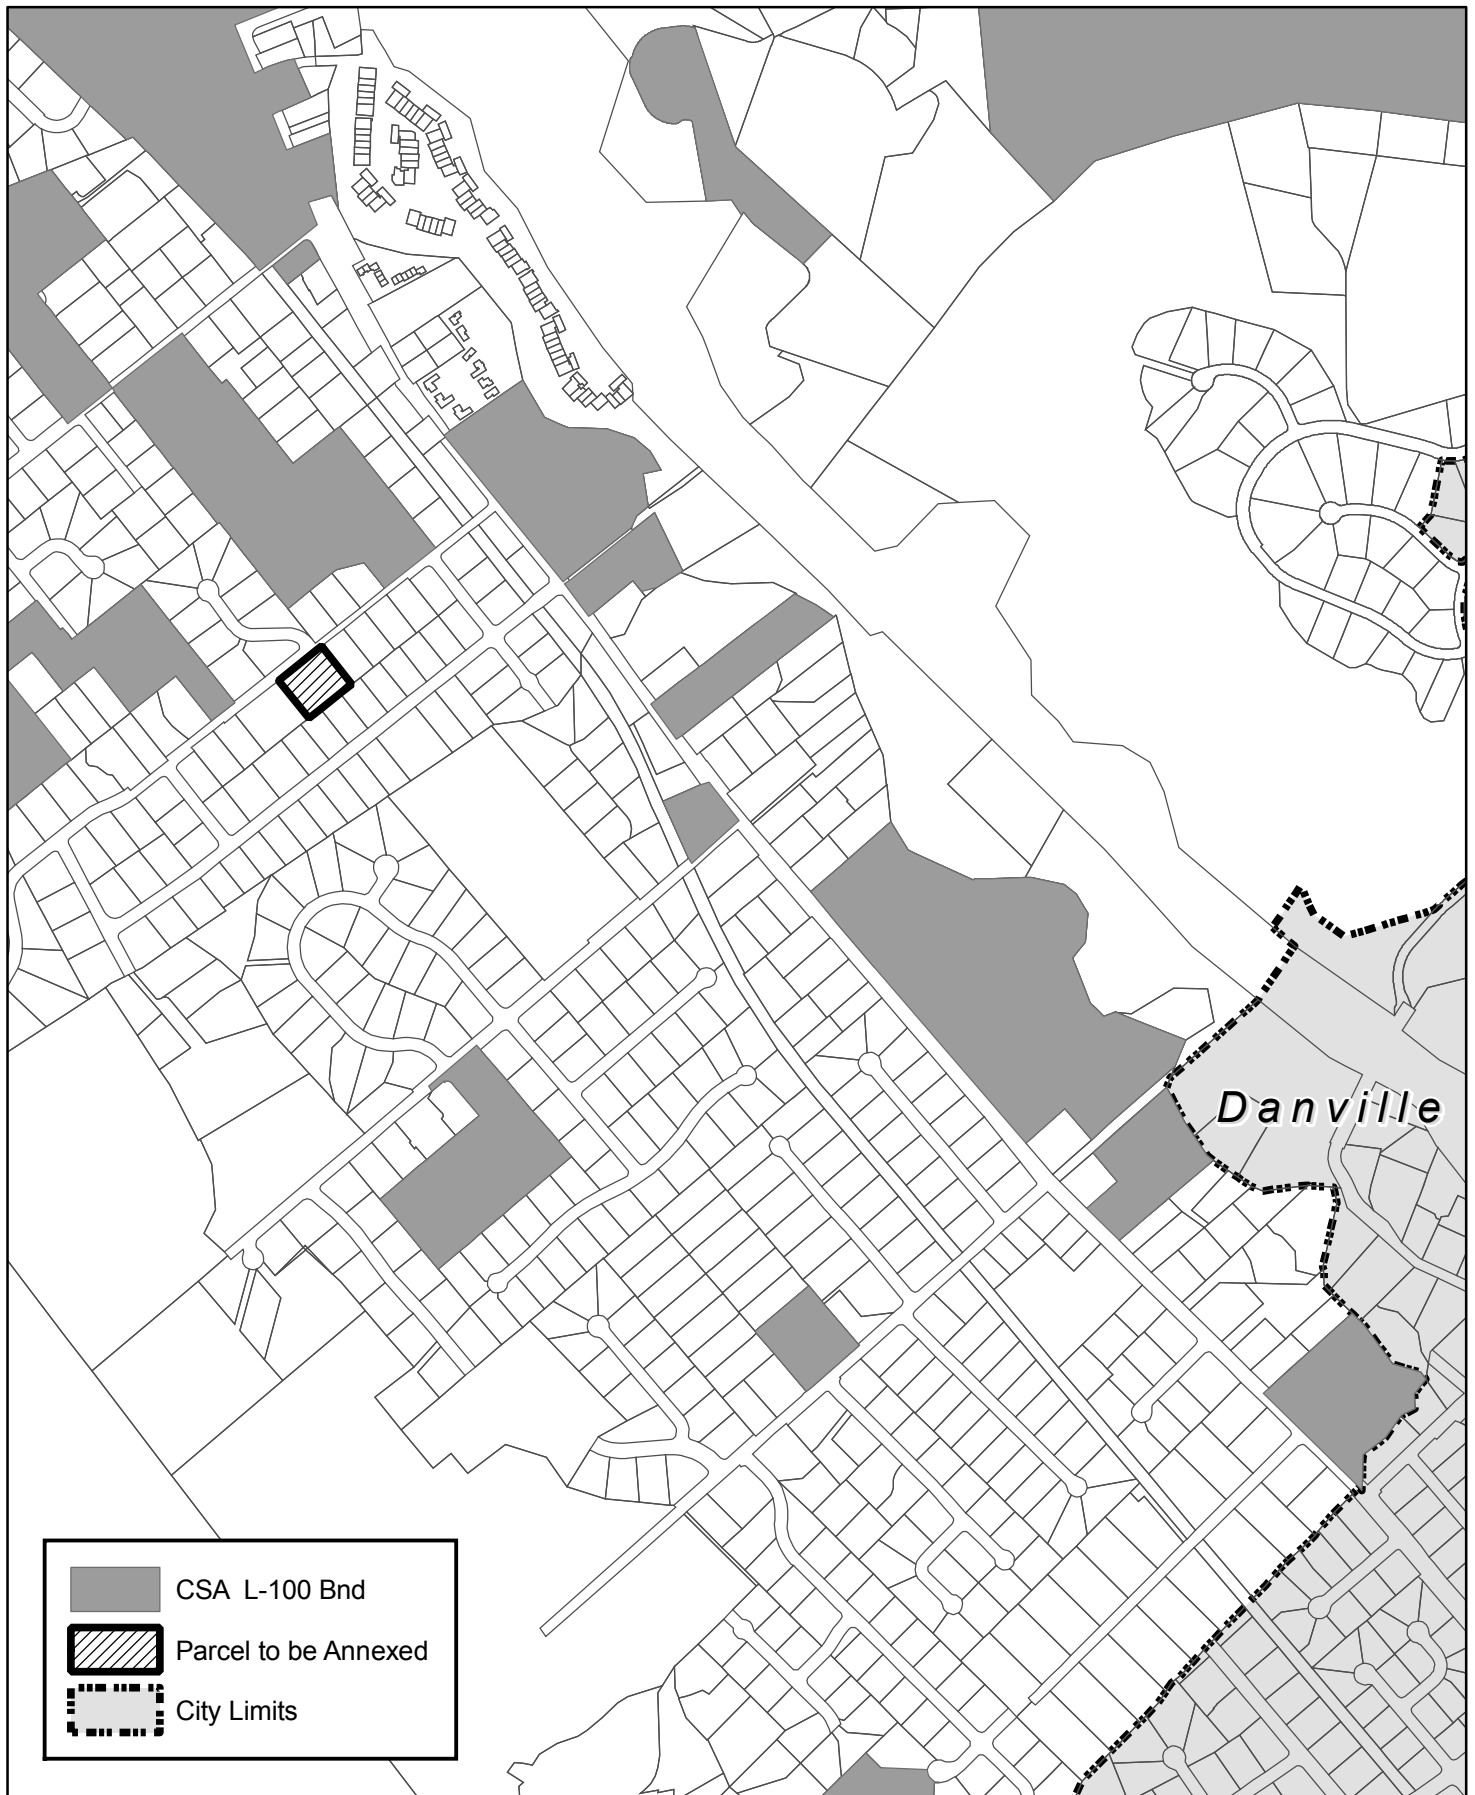

RECOMMENDED ACTION:

Approve Option 1.
