

CONTRA COSTA LOCAL AGENCY FORMATION COMMISSION  
EXECUTIVE OFFICER'S REPORT

April 8, 2009 (Agenda)

<u>LAFCO 09-01</u>	Wood Annexation to County Service Area (CSA) L-100
<u>PROPONENT</u>	Steven and Sally Wood – landowners/petitioners
<u>ACREAGE &amp; LOCATION</u>	Approximately 0.52± acres located at 1370 and 1380 Dewing Lane in unincorporated Walnut Creek (APN 184-110-076)
<u>PURPOSE</u>	Participate in the countywide street lighting and maintenance program, and to comply with a County condition of approval.

SYNOPSIS

This is a proposal to annex territory into CSA L-100. A condition of approval of the land use permit requires annexation to CSA L-100, which provides street lighting services in the unincorporated area. The site is within the District's sphere of influence and inside the County Urban Limit Line.

PROPOSAL INFORMATION:

1. Land Use, Planning and Zoning - Present and Future:

The annexation area currently contains two existing single family residential units and a detached garage. The landowner received approval from the County to subdivide the parcel into two lots.

The General Plan designation for the parcel is Single Family Residential – Medium Density; the zoning is R-10 – Single Family Residential (minimum lot size: 10,000 sq. ft.).

The surrounding land uses include medium density, single family residential development.

The proposed uses are consistent with the County zoning and land use designations.

2. Topography, Natural Features and Drainage Basins:

The site and surrounding areas are developed. The site proposed for annexation is generally flat with some trees and shrubs. Surrounding natural features include drainage courses and dry creeks.

3. Population:

No additional dwelling units are proposed and no increase in population is anticipated.

4. Governmental Services and Controls - Need, Cost, Adequacy and Availability:

The plan for providing services within the affected territory, as required by Government Code §56653, is on file. The level and range of services will be similar to those provided by CSA L-100 to developed properties currently within its boundaries.

5. Assessed Value, Tax Rates and Indebtedness:

The area is within tax rate area 98002. The assessed value for the property is \$537,082 (2008-09 roll). Overall tax rates will not be changed by the annexation.

6. Environmental Impact of the Proposal:

In 2006, Contra Costa County, as Lead Agency, adopted a Negative Declaration for the underlying land use project. The LAFCO Environmental Coordinator reviewed the document and finds it adequate for LAFCO purposes. A copy of the document is available for review in the LAFCO office.

7. Landowner Consent and Registered Voters:

The property owner has given written consent to the boundary change. The annexing agency consents to the waiver of conducting authority proceedings. The territory is uninhabited, as there are fewer than 12 registered voters.

8. Boundaries and Lines of Assessment:

There are no conflicts with lines of assessment or ownership. A map to implement this change has been approved by the County Surveyor.

ALTERNATIVES FOR COMMISSION ACTION:

After consideration of this report and any testimony or additional materials that are submitted the Commission should consider taking one of the following options:

**Option 1** Approve the annexation as submitted.

- A. Determine that Contra Costa County, as Lead Agency, adopted a Negative Declaration for the project.
- B. Certify that the Commission has reviewed and considered the information contained in the CEQA document prepared by Contra Costa County.

  - 1. Determine that the territory being annexed shall be liable for any authorized or existing taxes, assessments and charges comparable to properties presently within the annexing agency.

2. Prior to recordation, the applicant shall deliver an executed indemnification agreement between the applicant and Contra Costa LAFCO providing for the applicant to indemnify LAFCO against any expenses arising from any legal actions challenging the annexation.
- D. Find: 1) the subject territory is uninhabited, 2) all affected landowners have consented to the annexation and 3) the annexing agency has consented to the waiver of conducting authority proceedings.
- E. Waive conducting authority proceedings and direct the staff to complete the proceeding.

**Option 2** Adopt this report and DENY the proposal.

**Option 3** If the Commission needs more information, CONTINUE this matter to a future meeting.

**RECOMMENDED ACTION:**

Approve Option 1.
