2015 Legislative Wrap-Up

Dear Commissioners:

October 11, 2015 marked the deadline for the Governor to act on 2015 legislation. Of the 2,772 bills introduced in this session, 1,084 were chaptered, 133 were vetoed, and the remaining 1,555 were either carried over or suspended.

In 2015, CALAFCO sponsored two bills and supported a number of others, several of which are summarized below.

CALAFCO Sponsored Bills

- **AB 851** (Mayes) *Disincorporations* - Chaptered
  
  This bill provides long overdue legislative updates relating to the disincorporation of cities.

- **AB 1532** (Committee on Local Government) *Cortese Knox Hertzberg Local Government Reorganization Act (CKH) Act* - Chaptered
  
  This is the annual CALAFCO omnibus bill which provides technical changes, clarifications and corrections to the CKH.

Other CALAFCO Priority Bills

- **AB 402** (Dodd) *Local Agency Services – Contracts* - Chaptered
  
  This bill creates a five-year pilot opportunity for Napa and San Bernardino LAFCOs authorizing these LAFCOs to approve new or extended services outside existing jurisdictional boundaries and outside existing SOIs to support existing or planned uses involving public or private properties based on specific findings.
• **AB 448** (Brown) *Property Tax Revenue Allocations – Vehicle License Fee (VLF) Adjustments* – Held Under Submission

This bill would modify the existing reduction and transfer provisions for FY 2015-16 and going forward by providing for a VLF adjustment amount calculated on the basis of changes in assessed value, including an annexed area. CALAFCO is on record supporting this bill.

• **AB 3** (Williams) *Isla Vista Community Services District (CSD)* – Chaptered

This bill authorizes the formation of the Isla Vista CSD through an application by the County Board of Supervisors and a subsequent vote, and bypassing the LAFCO process. CALAFCO is on record opposing this bill.

• **AB 25** (Roth) *Property Tax Revenue Allocations – Vehicle License Fee (VLF) Adjustments* – Vetoed by the Governor

This bill would modify specified reduction and transfer provisions for a city incorporating after January 1, 2004, and on or before January 1, 2012, for FY 2014-15 and thereafter, by providing for a VLF adjustment amount calculated on the basis of changes in assessed value. CALAFCO is on record supporting this bill.

• **SB 88** – (Committee on Budget and Fiscal Review) – *Water* – Chaptered

This bill authorizes the State Water Resources Control Board (SWRCB) to order consolidation of water systems, including public and private systems and individual wells within a disadvantaged community. The bill requires that the SWRCB consult with and fully consider input from the relevant LAFCO. CALAFCO is on record opposing this bill.

• **SB 239** (Hertzberg) *Local Services: Contracts: Fire Protection Services* - Chaptered

This bill contains special provisions relating to out of agency fire service and sets several significant precedents. CALAFCO initially opposed this bill, then, after a number of amendments, issued a “no position.”

• **SB 272** (Hertzberg) – *California Public Records Act; Local Agencies: Inventory* - Chaptered

This bill requires public agencies, including LAFCOs, to make available to the public a catalogue of “enterprise systems” as defined in the statute. This is an unfunded State mandate.

• **AB 115** (Committee on Budget) *Water* – Ordered to Inactive File

This bill is the same as **SB 88** (see above)
• **SB 552** (Wolk) Public Water Systems: Disadvantaged Communities: Consolidation or extension of Service – Failed Deadline

This bill modifies the definition of “disadvantaged community” for the purpose of providing water.

CALAFCO has an active legislative program that serves as a resource to Senate and Assembly committees; represents the interests of LAFCOs in Sacramento; and reviews, comments on and pursues legislation on behalf of LAFCOs statewide.

The Legislative Committee kicked off the 2016 legislative year on November 6th with a conference call to make introductions, establish committee expectations, adopt a meeting schedule, and conduct an initial overview of proposals received to date. The first face-to-face CALAFCO Legislative Committee meeting will be on December 11th in Sacramento. Commission McGill and your Executive Officer serve on the CALAFCO Legislative Committee and will continue to keep the Commission updated throughout the year.

**RECOMMENDATION**

Receive and file this report.

Sincerely,

Lou Ann Texeira
Executive Officer

TO ALL INTERESTED PARTIES:

The start of the 2015-16 Legislative Session was a busy one for the Assembly Local Government Committee. Because of the large number of Assembly Members and Senators with local government backgrounds, interest in local government issues remained high.

Enclosed is a summary of bills introduced during the first year of the 2015-16 Legislative Session that were referred to the Assembly Local Government Committee. The summary includes a brief description and status of all bills, divided into the following categories: Elections; Governance; Health Care Districts and Health Authorities; Housing; Land Use; Local Agency Formation Commissions; Local Government Contracting and Procurement; Joint Exercise of Powers; Local Government Finance; Open Meetings, Public Records Act, Conflict of Interest, Privacy and Open Data; Powers and Duties; Public Safety; Public Trust Lands; Redevelopment and Post-Redevelopment; Transportation and Transit Districts; and Water.

For quick and easy reference, please see the table of contents in the front of this document or the index located at the end. Bills marked with an asterisk (*) were amended and subsequently utilized as vehicles for other bill proposals, some of which stayed within the Committee's jurisdiction. Additional information regarding this summary can be obtained through the Assembly Local Government Committee office at (916) 319-3958.

Sincerely,

Brian Maienschein, Chair

### AB 115
(Committee on Budget) Water.

**Current Text:** Amended: 6/18/2015  [pdf](#)  [html](#)

**Introduced:** 1/9/2015

**Last Amended:** 6/18/2015

**Status:** 9/11/2015-Ordered to inactive file at the request of Senator Mitchell.

**Summary:**
Would authorize the State Water Resources Control Board to order consolidation with a receiving water system where a public water system, or a state small water system within a disadvantaged community, consistently fails to provide an adequate supply of safe drinking water. This bill would authorize the state board to order the extension of service to an area that does not have access to an adequate supply of safe drinking water so long as the extension of service is an interim extension of service in preparation for consolidation.

**Position:** Oppose

**Subject:** Disadvantaged Communities, LAFCo Administration, Special District Consolidations, Water

**CALAFCO Comments:**
This bill is the same as SB 88. As amended, AB 115 gives the State Water Resources Control Board (SWRCB) direct authority to mandate either an extension of service or consolidation of water systems, including public and private systems, and individual wells. The bill focuses on disadvantage communities. Prior to ordering the consolidation, the SWRCB must make certain determinations and take certain actions, including conducting a public hearing in the affected territory. They are also required to "consult with and fully consider input from the relevant LAFCo, the PUC, and either the city or county (whichever has land use authority). Entities are allowed 6 months to find workable solutions before the SWRCB mandates the action. Prior to making the order, the SWRCB must make certain determinations. Upon making the order, the SWRCB must make funding available to the receiving water system for capacity building (no operations and maintenance funding is provided, adequately compensate the subsumed system, pay fees to the LAFCo for whatever work they will do (which is as of now undefined) to facilitate the action. The bill also contains certain CEQA exemptions and liability relief for the subsuming water entity, as well as various penalties. Finally, the bill makes legislative findings and declarations as to the reason for the SWRCB to have these powers, which has been taken directly from the legislative findings and declarations of CKH and the reason LAFCos have the powers they do.

CALAFCO has attempted to work with the administration for some time in defining the best possible process for these actions. However, for the most part, amendments proposed have been dismissed. CALAFCO has a number of concerns regarding the proposed process, not the least of which is the language in section 116682 (g) (the way it is worded now, it exempts the entire consolidation process and there is a legal argument that this would divest LAFCO of any authority to complete the consolidation since that authority is solely contained in CKH). Further, we requested indemnification for LAFCo as they implement section 11682(e)(4) which was also dismissed.

### AB 402
(Dodd D) Local agency services: contracts.

**Current Text:** Chaptered: 10/2/2015  [pdf](#)  [html](#)

**Introduced:** 2/19/2015
Last Amended: 8/26/2015
Status: 10/2/2015-Chaptered by Secretary of State - Chapter 431, Statutes of 2015.

Summary:
Would establish a pilot program, until January 1, 2021, for the Napa and San Bernardino commissions that would permit those commissions to authorize a city or district to provide new or extended services outside both its jurisdictional boundaries and its sphere of influence under specified circumstances. This bill contains other related provisions.

Position: None at this time
Subject: CKH General Procedures, LAFCo Administration, Service Reviews/Spheres
CALAFCO Comments: This bill creates a 5 year pilot opportunity for Napa and San Bernardino LAFCo Commissions to authorize an extension of services outside boundaries and spheres to support existing or planned uses pending the commission’s determination that (1) a service deficiency was identified and evaluated in a MSR; AND (2) the extension of services will not result in adverse impacts on open space or ag lands or have growth inducing impacts.

CALAFCO previously considered (over an extensive period of time) amending GC §56133, and twice (in 2011 and again in 2013) the CALAFCO Board of Directors decided not to pursue those amendments. This is not a CALAFCO sponsored bill. Assembly member Dodd is a former Napa LAFCo Commissioner.

AB 448 (Brown D) Local government finance: property tax revenue allocations: vehicle license fee adjustments.

Introduced: 2/23/2015
Status: 8/27/2015-In committee: Held under submission.

Summary:
Current property tax law requires the county auditor, in each fiscal year, to allocate property tax revenue to local jurisdictions in accordance with specified formulas and procedures, and generally provides that each jurisdiction shall be allocated an amount equal to the total of the amount of revenue allocated to that jurisdiction in the prior fiscal year, subject to certain modifications, and that jurisdiction's portion of the annual tax increment, as defined. This bill would modify these reduction and transfer provisions, for the 2015-16 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

CALAFCO Support Letter March 2015

Position: Support
Subject: Financial Viability of Agencies, Tax Allocation
CALAFCO Comments: As introduced, this bill is identical to AB 1521 (Fox) from last year. This bill reinstates the VLF payment (through ERAF) and changes the way that the growth in the VLF adjustment amount (property tax in lieu of VLF) is calculated starting in FY 2015-16 to include the growth of assessed valuation, including in an annexed area, from FY 2004-05 to FY 2015-16. Beginning in FY 2016-17, the VLF adjustment amount would be the jurisdiction's annual change in the assessed valuation.

AB 851 (Mayes R) Local government: organization: disincorporations.

Current Text: Chaptered: 9/21/2015
Introduced: 2/26/2015
Last Amended: 8/18/2015
Status: 9/21/2015-Chaptered by Secretary of State - Chapter 304, Statutes of 2015.
Summary:
Current law authorizes a local agency which is conducting proceedings for the incorporation of a city, formation of a district, change of organization, a reorganization, a change of organization of a city, or a municipal reorganization to propose the adoption of a special tax on behalf of the affected city or district in accordance with this procedure. This bill would additionally authorize a local agency conducting proceedings for the disincorporation of a city to propose the adoption of a special tax on behalf of an affected city in accordance with the above-described procedure.

CALAFCO Support Letter_March 2015

Position: Sponsor
Subject: CKH General Procedures, Disincorporation/dissolution

CALAFCO Comments: Sponsored by CALAFCO. As amended, this bill addresses the long-outdated statutes relating to disincorporation. Although many other areas of CKH have been updated over the past 52 years, the areas pertaining to disincorporations remain in their original format as written in 1963.

This bill does the following: (1) Clarifies the expectation for assignment of responsibility for debt that will continue in existence after disincorporation; (2) Establishes the parameters and requirements for the submission of the Plan for Service for a disincorporation proposal which outlines existing services, the proponent’s plan for the future of those services, and whether or not a bankruptcy proceeding has been undertaken; (3) Establishes the responsibilities of LAFCOs in preparing a Comprehensive Fiscal Analysis for disincorporations, the determination of the transfer of property tax revenues previously received by the proposed disincorporating City, and the determination of the transfer of debt to a successor agency or agencies. Further, the bill retains LAFCOs existing authority to impose terms and conditions on a proposed disincorporation as well as the election requirements necessary for approval of disincorporation. The proposed disincorporation statutory changes use the incorporation provisions as a template to propose changes in the disincorporation process.

AB 1532 (Committee on Local Government) Local government: omnibus.
Current Text: Chaptered: 7/15/2015 pdf html
Introduced: 3/23/2015
Last Amended: 5/22/2015
Status: 7/15/2015-Chaptered by Secretary of State - Chapter 114, Statutes of 2015.

Summary:
The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, requires a local agency formation commission to notify specified state agencies having oversight or regulatory responsibility over, or a contractual relationship with, a local health care district when a proposal is made for any of specified changes of organization affecting that district. This bill would update obsolete references to a "hospital" district and replace outdated references to the State Department of Health Services with references to the State Department of Public Health and the State Department of Health Care Services.

**Summary:**
Would modify specified reduction and transfer provisions for a city incorporating after January 1, 2004, and on or before January 1, 2012, for the 2014-15 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation. **Position:** Support

**Subject:** Financial Viability of Agencies

**CALAFCO Comments:** Identical to SB 69 (Roth) from 2014, the bill calls for reinstatement of the VLF through ERAF for cities that incorporated between January 1, 2004 and January 1, 2012. There are no provisions for back payments for lost revenue, but the bill does reinstate future payments beginning in the 2014/15 year for cities that incorporated between 1-1-2004 and 1-1-2012.

The bill focuses on disadvantage communities. Prior to ordering the consolidation, the SWRCB must make certain determinations and take certain actions, including conducting a public hearing in the affected territory. They are also required to "consult with and fully consider input from the relevant LAFCo, the PUC, and either the city or county (whichever has land use authority). Entities are allowed 6 months to find workable solutions before the SWRCB mandates the action. Prior to making the order, the SWRCB must make funding available to the receiving water system for capacity building (no operations and maintenance funding is provided, adequately
compensate the subsumed system, pay fees to the LAFCo for whatever work they will do (which is as of now undefined) to facilitate the action. The bill also contains certain CEQA exemptions and liability relief for the subsuming water entity, as well as various penalties. Finally, the bill makes legislative findings and declarations as to the reason for the SWRCB to have these powers, which has been taken directly from the legislative findings and declarations of CKH and the reason LAFCos have the powers they do.

CALAFCO has attempted to work with the administration for some time in defining the best possible process for these actions. However, for the most part, amendments proposed have been dismissed. CALAFCO has a number of concerns regarding the proposed process, not the least of which is the language in section 116682 (g) (the way it is worded now, it exempts the entire consolidation process and there is a legal argument that this would divest LAFCO of any authority to complete the consolidation since that authority is solely contained in CKH). Further, we requested indemnification for LAFCo as they implement section 11682(e)(4) which was also dismissed.

**Summary:**

Would, with certain exceptions, permit a public agency to exercise new or extended services outside the public agency's jurisdictional boundaries pursuant to a fire protection contract, as defined, only if the public agency receives written approval from the local agency formation commission in the affected county. This bill contains other related provisions and other existing laws.

CALAFCO Removal of Opposition to No Position Leter  
CALAFCO OpposeLetter_April 2015

**Position:** None at this time

**Subject:** CKH General Procedures, Municipal Services

**CALAFCO Comments:** As amended this bill sets forth requirements for the application of service extensions relating to fire protection services. The bill calls for a Fire Protection Contract to be submitted with the application. This is required for applications that (1) Transfer greater than 25% of the service area or (2) Changes the employment status of more than 25% of employees of any affected agencies. Prior to submitting the application for service extension, all affected agency employee unions must approve the request and conduct a public hearing; or, provide at least 30 days notice of the public hearing with such notice being sent to each affected public agency and all affected employee unions and shall include a copy of the proposed agreement. The bill requires contents of the Contract Plan to include: (1) Cost of providing services to be extended; (2) Cost to customers; (3) an ID of existing service providers; (4) Financing plan; (5) Alternatives to the extension; (6) Enumeration and description of services proposed; (7) level and range of services proposed; (8) Timeline for services to be provided; and (9) improvements or upgrades that would be imposed or required to provide services. Further, it requires a comprehensive Fiscal Analysis to be conducted. The bill also outlines determinations the commission must make that include the provider of services for the extension of service will build a "reasonable reserve" during the three years following the effective date of the contract.

The bill sets several precedents. First, it requires a California state agency to apply for, and request LAFCo approval prior to undertaking an action that involves the provision of services outside of a public agency's current service area under contract or agreement. Further, the >25% threshold that triggers this kind of scrutiny appears to be an arbitrary threshold with no data to support it. Next, LAFCOs currently have exempted the review
and approval of contracts or agreements between two public agencies - this bill would change that provision in certain circumstances. Finally, the bill addresses only one type of service provider, which fails to address the question of why the provision of fire protection services, by contract or agreement, outside of a public agency's boundaries, requires a different level of review than other types of equally vital services or demands a heightened or weighted review from any commenter or affected agency.

Many of CALAFCO's concerns have been removed by amendments, however there are some that remain as noted above. At question for CALAFCO members is whether or not the LAFCo should be reviewing and/or approving contracts/agreements between two public agencies, which is a question for which CALAFCO has received divergent positions. As a result, CALAFCO removed our opposition and took a No Position on the bill.

**Summary:**
Would require each local agency, except a local educational agency, in implementing the California Public Records Act, to create a catalog of enterprise systems, as defined, to make the catalog publicly available upon request in the office of the person or officer designated by the agency's legislative body, and to post the catalog on the local agency's Internet Web site.

**Position:** Watch
**Subject:** LAFCo Administration, Public Records Act

**CALAFCO Comments:** As amended, this bill requires all local agencies (including LAFCo) to create a catalogue of enterprise systems used by that agency and make that catalogue available to the public. For purposes of the bill, the author defines enterprise systems as a software application or computer system that collects, stores, exchanges, and analyzes information that the agency uses that is both: (1) a multi-departmental system or system containing information collected about the public; AND (2) a system of record for that agency. Further, the bill defines a system of record as a system that serves as an original source of data within an agency. The bill requires certain pieces of information be disclosed including (1) Current system vendor; (2) Current system product; (3) A brief statement of the system's purpose;(4) A general description of categories, modules, or layers of data;(5) The department that serves as the system's primary custodian;(6) How frequently system data is collected; and (7) How frequently system data is updated. Excluded are 911 systems and other public safety systems.

**Summary:**  
Would authorize the establishment of the Isla Vista Community Services District by requiring the Board of Supervisors of the County of Santa Barbara to submit a resolution of application to the Santa Barbara County Local Agency Formation Commission, and, upon direction by the commission, place the questions of whether the district should be established and whether a utility user tax should be imposed on the ballot at the next countywide election following the completion of the review by the commission. By imposing new duties on the County of Santa Barbara, this bill would impose a state-mandated local program.

CALAFCO Letter of Concern_Dec 2014

**Position:** Oppose unless amended  
**Subject:** LAFCo Administration, Special District Powers  
**CALAFCO Comments:** As amended the bill requires the Santa Barbara Board of Supervisors (BOS) on or before 1/5/16 to file a resolution of application with the Santa Barbara LAFCO to initiate a comprehensive review of the formation of the Isla Vista CSD. The LAFCO will not have the authority to make a final determination as to whether or not the CSD should be formed, but rather only make recommendations as to its formation. (This differs from the last version of the bill which did not include the LAFCO at all.) The final authority of whether or not the district shall be formed will stay with the voters. The bill requires the BOS to pay the appropriate fees for the LAFCO review and recommendations. Further, the bill requires the LAFCO to complete the review and make recommendations within 150 days of the filing of the resolution of application. Finally, because the people are voting on the establishment of the CSD, protest proceedings are being waived.

The bill also requires the BOS to place the formation question on the first ballot after LAFCO completes the review, and should the district be formed, the BOS shall then call for a vote on the funding of the district. Setting a precedent, the bill is calling for a utility user tax to fund the district, which shall be determined by 1/1/23. The bill also calls out the special governing structure of the district board, the boundaries of the proposed CSD and the authorities of the CSD.

Current law provides for the procedure to cancel a contract entered into under specified
provisions of the Williamson Act, and provides that the landowner and the Department of Conservation may agree on the cancellation value of the land. This bill would require the department to provide a preliminary valuation of the land to the county assessor and the city council or board of supervisors at least 60 days prior to the effective date of the agreed upon cancellation valuation if the contract includes an additional cancellation fee, as specified.
