 Agenda Item 13**

Current and Potential Future LAFCO Applications

Dear Members of the Commission:

SUMMARY

This report identifies active applications on file with Contra Costa LAFCO. This report also identifies several potential future applications. This report is presented for information only.

DISCUSSION

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (“CKH”) delegates LAFCOs with regulatory and planning duties to coordinate the formation and development of local government agencies and their municipal services. This includes approving and disapproving boundary changes, boundary reorganizations, formations, mergers, consolidations, dissolutions, incorporations, sphere of influence (SOI) amendments, and extension of out of agency services. Applications involving jurisdictional changes filed by landowners or registered voters are placed on the Commission’s agenda as information items before action is considered by LAFCO at a subsequent meeting (Gov. Code §56857).

There is currently one approved proposal awaiting completion, seven current applications that are either incomplete and/or awaiting a hearing date, and several potential future applications.
