

## **1.10 CONFLICT OF INTEREST AND FINANCIAL DISCLOSURE**

### **A. Conflict of Interest**

The Political Reform Act, Government Code §81000 se seq. requires each state and local government agency to adopt and promulgate a Conflict of Interest Code. The Fair Political Practices Commission (FPPC) has adopted a regulation, 2 California Code of Regulations §18730, which contains the terms of a standard Conflict of Interest Code. This standard Code can be incorporated by reference and may be amended by the FPPC after public notice and hearings to confirm to amendments in the Political Reform Act.

The terms of 2 California Code of Regulations §18730 and any amendments to it duly adopted by the FPPC, are hereby incorporated by reference.

Pursuant to section 4 of the standard code, designated persons shall file statements of economic interest with the Executive Officer of the Commission.

The following designated positions shall file statements of economic interest:

Commissioners and Alternate Commissioners  
Executive Officer  
Consultants\*

\* The disclosure by consultants is subject to the following limitation: The LAFCO Executive Officer may determine in writing that a particular consultant, although filing a designated position, is hired to perform a range of duties that is limited in scope and thus is not required to fully comply with the disclosure requirements in this section. Such written determination shall include a description of the consultant's duties and, based upon that description, a statement of the extend of disclosure requirements. The Executive Officer's determination is a public record and shall be retained for public inspection in the same manner and location as this conflict of interest code.

Subject to the definitions set forth in the Political Reform Act and applicable regulations, disclosures shall be made in the following categories:

- 1) All sources of income,
- 2) Interests in real property, and
- 3) Investments and business positions in business entities located in or doing business in Contra Costa County.

### **B. Financial Disclosure**

Pursuant to Government Code §56700.1, expenditures for political purposes related to an application must be disclosed. All applicants, including individual property owners and other representatives who are a party to a proceeding, are required to submit a financial

disclosure statement as part of any application package [§84308]. Disclosures must be made in the same manner as disclosures for local initiative measures presented to the electorate.

Any applicant or an agent of an applicant who has made business or campaign contributions totaling \$250 or more to any Commissioner (regular or alternate) in the past twelve months, must disclose that fact for the official record of the Commission §84308(d). The disclosure of any such contribution (including amount of contribution and name of recipient Commissioner/s) must be made: (1) in writing and delivered to the Executive Officer prior to the hearing on the matter; or (2) by oral declaration made at the time the hearing on the matter is opened.

LAFCO members are disqualified and are not able to participate in any proceeding involving an “entitlement for use” if, within the 12 months preceding the LAFCO decision, the Commissioner received \$250 or more in campaign contributions from the applicant, an agent of the applicant or any financially interested person who actively supports or opposes the LAFCO decision on the matter.
