LAFCo Fire Workshop Report

Dear Commissioners:

On February 3, 2010, Contra Costa LAFCo will hold a Fire Workshop. The Commission retained Bill Chiat to facilitate. The workshop will include small and large group discussions and information sharing, focusing primarily on 1) the recently completed LAFCO Fire & Emergency Medical Services municipal service review report (available online at www.contracostalafco.org), 2) what participants see as the most pressing issues facing fire services in Contra Costa County, 3) local agency roles, 4) case studies and other tools, and 5) next steps.

A supplemental report summarizing the workshop discussion and outcomes will be prepared and distributed following the workshop.

Please contact the LAFCo office if you have any questions.

Sincerely,

LOU ANN TEXEIRA
EXECUTIVE OFFICER
