Current Text: Chaptered: 7/7/2010 [pdf](#) [html](#)

Introduced: 2/23/2009

Last Amended: 5/17/2010

Summary:

Would beginning January 1, 2011, require the board of supervisors or the city council to take action, to order and place the item on the ballot, within 45 days of notification by the local agency formation commission, and would require the elections official to place the item on the ballot at the next regular election if the board of supervisors or the city council fails to take action within 45 days of the notification. This bill would also make conforming changes.

Position: Support

Subject: CKH General Procedures

CALAFCO Comments: This bill was a gut-and-amend to specify that a Board or Council has 45 days to place an item on the next general election ballot when requested by a LAFCo. Current law does not specify the number of days nor state what happens if the item is not placed on the ballot. If the Board or Council does not act within 45 days it requires the election official to place the item on the next General Election ballot. Adds a requirement that LAFCo must notify the election official as well as the Board or Council of an item to be placed on the ballot. It provides clarity to the process.

Summary:

Would require a board of supervisors, within 180 days of receiving a petition, to apply for annexation to a city or reorganization that includes an annexation to a city, to adopt a resolution of application for an annexation to a city or reorganization that includes an annexation to a city if the affected territory meets specified conditions, thereby imposing a state-mandated local program. This bill contains other related provisions and other existing laws.

[CALAFCO Watch Letter - 28 July 2010](#)

Position: Watch

Subject: Annexation Proceedings, Service Reviews/Spheres, Environmental Justice, Municipal Services

CALAFCO Comments: This bill has been significantly amended several times. In the current 1 July 2010 version it requires LAFCos to identify disadvantaged inhabited communities when performing sphere reviews or updates of local agencies. In addition to identifying the communities, the bill requires LAFCo to inventory any water, wastewater or fire protection infrastructure deficiencies in those communities. It allows LAFCo discretion in identifying the size of a disadvantaged inhabited community. The bill also provides a mechanism for residents to petition a Board of Supervisors to be annexed to a city if they are within an existing city SOI. It requires the Board to send a resolution to LAFCo for the annexation and be responsible for the application costs. The bill takes effect on 1 July 2011. It creates an unfunded mandate for LAFCos by requiring this additional information. Those costs will have to be absorbed within a LAFCo budget and will likely result in an increased LAFCo allocation from cities, counties and special districts. Nonetheless the Legislative Committee felt that significant changes have been made in the bill to address the

majority of CALAFCO concerns and changed the position to WATCH.

Would require the city council to, within 60 days of a vacancy in an elective office, fill that vacancy by appointment or call a special election to fill the vacancy, as specified. This bill contains other related provisions and other existing laws.

[CALAFCO Support Letter](#)

[Request for Governor's Signature](#)

Position: Support

Subject: Incorporation Proceedings

CALAFCO Comments: This bill is nearly identical to AB 18 introduced by Assembly Member Knight in 2009. In addition to specifying the number of days a city council has to fill a vacancy, it clarifies the number of seats up for election at the first election following incorporation. CALAFCO supported AB 18. That bill was vetoed by the Governor because he felt current law was adequate on number of days to fill a vacancy. His veto was silent on number of seats at the first election. CALAFCO has also included the seats up for election as an Assembly Omnibus Bill item.

AB 1668 has been amended several times to make in consistent with both the Assembly and Senate Local Government committees omnibus bills. The author has been in discussions with the Governor's office to help insure a signature should it pass. If both AB 1668 and AB 2795 (Assembly Omnibus Bill) pass, their language will be subject to double-jointing by Legislative Counsel.

Dead	1st House				2nd House				Conc.			

Summary:

Would include within a local agency formation commission' s powers the power to approve, disapprove, or approve conditionally, a request by a redevelopment agency to establish, extend, or expand a project area. The bill would include within the definition of "change of organization" a proposal to establish, extend, or expand a project area, and would define the term "project area." By expanding a local agency formation commission's duties, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Position: Watch

Subject: Annexation Proceedings

CALAFCO Comments: This bill would have placed Redevelopment Agency Project Areas under CALAFCO review. It added to LAFCo the power to review and approven deny or conditionally approve a new project area or the expansion of an existing project area. It died in Committee.

Position: Watch

Subject: Municipal Services, Planning

CALAFCO Comments: This bill is intended to provide municipal services and infrastructure investment to disadvantaged unincorporated communities. The bill would direct Federal State Community Development Block Grants (CDBG) towards infrastructure improvements in disadvantaged communities within cities and the unincorporated county. It requires the creation of a citizens advisory panel on the use of funds and notification of residents in disadvantaged communities of the availability of funds and to encourage input on their use.

CALAFCO Comments: This is the Senate Local Government Committee Omnibus Bill. It contains two items related to LAFCo: 1) clarifies the statute of limitations for challenges to a LAFCo city boundary change and eliminates an antiquated conflicting section; and 2) cleans up language in various local government laws to clarify that judges can resolve land use and environmental lawsuits through mediation before it goes to trial.
