Dear Lou Ann;

Recently, the Board of Trustees of the Byron-Brentwood-Knightsen Union Cemetery District decided that they are leaning toward incorporating the older portion (west end) of Oakley into the cemetery district. That area would then become a special zone, making the residents eligible for interment at Union Cemetery, but for a special "zone" fee, in lieu of property taxes.

Also, the Five-year MSR which was completed last year, shows that a portion of Antioch has "crept" into our district with a recent city limit change.

Therefore, this district would like to work with LAFCO to change the district's SOI so that there will be an eventual boundary change and accomplish these goals.

Please, advise this District on how these changes may be accomplished and the estimated costs of the project(s).

Thank you, for your anticipated help in this matter.

Yours truly,
