Summary:

Would provide that every city with a population of less than 150 people as of January 1, 2010, would be disincorporated into that city's respective county as of 91 days after the effective date of the bill, unless a county board of supervisors determines, by majority vote within the 90-day period following enactment of these provisions, that continuing such a city within that county's boundaries would serve a public purpose if the board of supervisors determines that the city is in an isolated rural location that makes it impractical for the residents of the community to organize in another form of local governance. The bill would also require the local agency formation commission within the county to oversee the terms and conditions of the disincorporation of the city, as specified.

Position: None at this time

Subject: Disincorporation/dissolution

Summary:

Under the California Constitution, whenever the Legislature or a state agency mandates a new program or higher level of service on any local government, the state is required to provide a subvention of funds to reimburse the local government. With regard to certain mandates imposed on a city, county, city and county, or special district that have been determine to be payable, the Legislature is required either to appropriate, in the annual Budget Act, the full payable amount of the mandate, determined as specified, or to suspend the operation of the mandate for the fiscal year. The California Constitution provides that the Legislature is not required to appropriate funds for specified mandates.

Position: None at this time
Subject: LAFCo Administration

CALAFCO Comments: Changes state mandate law in a proposed constitutional amendment. Included is specific language that releases mandate responsibility if the local agency can change an individual or applicant for the cost of providing the mandated service. Would likely exempt some mandates to LAFCo from state funding.
