Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 requires a local agency formation commission, where the commission is considering a change of organization that consists of a dissolution, reincorporation, incorporation, establishment of a subsidiary district, consolidation, or merger, to either order a change of organization subject to confirmation of the voters, as specified, or order the change of organization without an election if the change of organization meets certain requirements. This bill would authorize the commission, where the commission is considering a change of organization that consists of the dissolution of a district that is consistent with a prior action of the commission, to immediately order the dissolution if the dissolution was initiated by the district board, or if the dissolution was initiated by an affected local agency, by the commission, or by petition, hold at least one noticed public hearing on the proposal, and order the dissolution without an election, unless a majority protest exists, as specified.

ABX1 36 (Solorio D) Vehicle license fees.

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

Current law, as proposed to be amended by SB 89 of the 2011-12 Regular Session, would require that a specified amount of motor vehicle license fees deposited to the credit of the Motor Vehicle License Fee Account in the Transportation Tax Fund be allocated by the Controller, as specified, according to a specified order, with moneys allocated on or after July 1, 2004, but before July 1, 2011, first to the County of Orange, next to each city and county meeting specified criteria, and on or after July 1, 2011, to the Local Law Enforcement Services Account in the Local Revenue Fund 2011, for allocation to cities, counties, and cities and counties. This bill would instead require for all of those times that a specified portion of those revenues be distributed first to the County of Orange. By authorizing within the Motor Vehicle License Fee Account in the Transportation Tax Fund, a continuously appropriated fund, to be used for a new purpose, the bill would make an appropriation. This bill would become operative only if SB 89 is chaptered, as provided. This bill contains other related provisions and other current laws.

Position: Watch

Subject: Tax Allocation

CALAFCO Comments: This bill is under consideration as a fix to the SB 89 shift of VLF from cities to law enforcement programs. It would unwind the SB 89 transfer of VLF funds that dramatically affect incorporations and inhabited annexations. Currently only affects Orange county.

Summary:

Would require the Legislature to determine and appropriate annually an amount for the use of the DMV and the FTB for the enforcement of the Vehicle License Fee Law. The bill would deem, for the 2011-12 fiscal year, \$25,000,000 as the cost to the DMV for the collection of the motor vehicle license fee. This bill contains other related provisions and other current laws.

Position: Oppose

Subject: Annexation Proceedings, Incorporation Proceedings

CALAFCO Comments: This budget-related bill redirects VLF from cities to statewide public safety programs. Most impacted are cities formed after 2006 and inhabited annexations after 2006. Will likely result in disincorporations. Significantly this will also make most all future incorporations and inhabited annexations financially impossible. This language was added at the last minutes and voted on by the Members with little knowledge of the content of the bill. No one outside of the Capital was aware of the language until after the bill passed.

Summary:

Would require, on or before the next adoption of its housing element, a city or county to review and update the land use element of its general plan to include an analysis of the presence of island, fringe, or legacy unincorporated communities, as defined, and would require the updated general plan to include specified information. This bill would also require the city or county planning agency, after the initial revision and update of the general plan, to review, and if necessary amend, the general plan to update the information, goals, and program of action relating to these communities therein. By adding to the duties of city and county officials, this bill would impose a state-mandated local program. This bill contains other related provisions and other current laws.

Subject: Disadvantaged Communities

CALAFCO Comments: Amended to require LAFCo review of disadvantaged unincorporated communities. It adds a definition for disadvantaged unincorporated communities, requires LAFCo to review water, sewer and fire services to the communities in the next SOI update, places more emphasis on LAFCo recommendations on reorganizations for efficient and effective services, requires LAFCo to identify service deficiencies to these communities in MSRs, and specifically requires LAFCo to assess alternatives for efficient and affordable infrastructure and services, including consolidations, in MSRs. Bill requires LAFCo to look at communities "in or adjacent to the sphere of influence."

Summary:

Would provide that every city with a population of less than 150 people as of January 1, 2010, would be disincorporated into that city's respective county as of 91 days after the effective date of the bill, unless a county board of supervisors determines, by majority vote within the 90-day period following enactment of these provisions, that continuing such a city within that county's boundaries would serve a public purpose if the board of supervisors determines that the city is in an isolated rural location that makes it impractical for the residents of the community to organize in another form of local governance. The bill would also require the local agency formation commission within the county to oversee the terms and conditions of the disincorporation of the city, as specified. This bill contains other related provisions.

Position: None at this time

Subject: Disincorporation/dissolution

CALAFCO Comments: As written this bill applies only to Vernon, California. It bypasses much of the C-K-H disincorporation process, leaving LAFCo only the responsibility of assigning assets and liabilities following disincorporation.

Summary:

Would delete the requirement that the California Victim Compensation and Government Claims Board provide notice to the chairpersons of the committees in each house of the Legislature that consider appropriations and the annual budget act, and the chairperson of the Joint Legislative Budget Committee, prior to allowing either the use of a current year appropriation to pay claims for prior year costs of \$500,000 or more, or claims from a single provider of goods or services with respect to a single department that exceed \$500,000 within one year. This bill contains other related provisions and other current laws.

Position: None at this time

Subject: Service Reviews/Spheres, Special District Principle Acts

CALAFCO Comments: Language has been added to this budget bill which changes the requirement for special districts to respond to SOI requests for information from a state mandate to a local requirement. This change would eliminate the state requirement to reimburse special districts for the costs of responding to a LAFCo request. It is not anticipated to have any actual change in process.

Summary:

Would authorize the State Auditor to establish a high-risk local government agency audit program to identify, audit, and issue reports on any local government agency, including any city, county, or special district, or any publicly created entity that the State Auditor identifies as being at high risk for the potential of waste, fraud, abuse, or mismanagement or that has major challenges associated with its economy, efficiency, or effectiveness. The bill would also authorize the State Auditor to consult with the Controller, Attorney General, and other state agencies in identifying local government agencies that are at high risk.

Position: None at this time

Subject: Financial Viability of Agencies, Service Reviews/Spheres

CALAFCO Comments: Would allow the State Auditor to audit and issue reports on any local agency it identifies at being at high risk for waste, fraud, abuse or mismanagement.

Summary:

Current law authorizes 2 or more public agencies, as defined, to enter into an agreement to exercise common powers. Current law also permits certain federally recognized Indian tribes to enter into joint powers agreements with particular

parties and for limited purposes. This bill would include a federally recognized Indian tribe as a public agency that may enter into a joint powers agreement. This bill would also make conforming changes by conforming related code sections. This bill contains other related provisions.

Position: Watch

Subject: Municipal Services

CALAFCO Comments: Would allow any federally recognized Indian tribe to act as a public agency to participate in any Joint Powers Authority. Significantly expands current law on Indian tribe participation in a JPA. NOTE: There is a LAFCo question on whether this would allow a tribe to enter into a JPA with a city and district and circumvent the LAFCo process for delivery of municipal services. Counsel is currently evaluating this potential and the options for LAFCo.

Summary:

Would create a community services district in the unincorporated area of a county if that unincorporated area of the county was previously a city that was disincorporated by statute and had, immediately prior to disincorporation, provided fire protection, water, telecommunications, gas, or electric utility services, or maintained streets or roads. The district would continue to provide those services within the territory in which the disincorporated city provided those services, and would be a successor in interest as to any contract entered into by the disincorporated city with respect to the provision of those services. The bill would, for a one-year period, limit the authority of the community services district to increase gas or electric utility rates within that territory. This bill contains other related provisions and other current laws.

Position: Watch

Subject: Disincorporation/dissolution, Special District Principle Acts

CALAFCO Comments: This bill was gutted and amended on 20 June to create a CSD in any unincorporated area that was previously a city and was disincorporated by the legislature. It is specifically targeted at Vernon. It also contains language directing LAFCo on the terms and conditions of the disincorporation.

AB 1265 (Nielsen R) Local government: Williamson Act.

Introduced: 2/18/2011

Last Amended: 6/30/2011

2Year Dead	Desk	Policy	Fiscal	Floor	Desk	Policy	Fiscal	Floor	Conf. Conc.	Enrolled	Vetoed	Chaptered
	1st House				2nd House							

Summary:

Current law, the Williamson Act, authorizes a city or county to enter into 10-year contracts with owners of land devoted to agricultural use, whereby the owners agree to continue using the property for that purpose, and the city or county agrees to value the land accordingly for purposes of property taxation. Current law sets forth procedures for reimbursing cities and counties for property tax revenues not received as a result of these contracts. This bill would, beginning January 1, 2011, and until January 1, 2016, authorize a county, in any fiscal year in which payments authorized for reimbursement to a county for lost revenue are less than 1/2 of the participating county's actual foregone general fund property tax revenue, to revise the term for newly renewed and new contracts and require the assessor to value the property, as specified, based on the revised contract term. The bill would provide that a landowner may choose to nonrenew and begin the cancellation process. The bill would also provide that any increased revenues generated by properties under a new contract shall be paid to the county. This bill contains other related provisions.

Summary:

Under the California Constitution, whenever the Legislature or a state agency mandates a new program or higher level of service on any local government, the state is required to provide a subvention of funds to reimburse the local government. With regard to certain mandates imposed on a city, county, city and county, or special district that have been determined to be payable, the Legislature is required either to appropriate, in the annual Budget Act, the full payable amount of the mandate, determined as specified, or to suspend the operation of the mandate for the fiscal year. The California Constitution provides that the Legislature is not required to appropriate funds for specified mandates.

Position: None at this time

Subject: LAFCo Administration

CALAFCO Comments: Changes state mandate law in a proposed constitutional amendment. Included is specific language that releases mandate responsibility if the local agency can change an individual or applicant for the cost of providing the mandated service. Would likely exempt some mandates to LAFCo from state funding.

Summary:

The Planning and Zoning Law authorizes a state or local public agency, if the agency requires a property owner to transfer to the agency an interest in real property to mitigate an adverse impact upon natural resources caused by permitting the development of a project or facility, to authorize a nonprofit organization to hold title to and manage that interest in real property, provided that the nonprofit organization meets specified requirements. This bill would revise these provisions and would, until January 1, 2022, authorize a state or local public agency to provide funds to a nonprofit organization to acquire land or easements that satisfy the agency's mitigation obligations, including funds that have been set aside for the long-term management of any lands or easements conveyed to a nonprofit organization, as specified. This bill would require a nonprofit organization that holds funds on behalf of the Department of Fish and Game for the long-term management of land to comply with certain requirements, including certification by the department, and oversight by the Controller under specified circumstances. The bill would also state the findings and declarations of the Legislature with respect to the preservation of natural resources through mitigation, and would state that it is in the best interest of the public to allow state and local public agencies and nonprofit organizations to utilize the tools and strategies they need for improving the effectiveness, cost efficiency, and durability of mitigation for California's natural resources.

Summary:

The State Teachers' Retirement Law (STRL) establishes the Defined Benefit Program of the State Teachers' Retirement System, which provides a defined benefit to members of the system based on final compensation, credited service, and age at retirement, subject to certain variations. STRL also establishes the Defined Benefit Supplement Program, which provides supplemental retirement, disability, and other benefits, payable either in a lump-sum payment, an annuity, or both to members of the State Teachers' Retirement Plan. STRL defines creditable compensation for these purposes as remuneration that is payable in cash to all persons in the same class of employees, as specified, for performing creditable service. This bill would revise the definition of creditable compensation for these purposes and would identify certain payments, reimbursements, and compensation that are creditable compensation to be applied to the Defined Benefit Supplement Program. The bill would prohibit one employee from being considered a class. The bill would revise the definition of compensation with respect to the Defined Benefit Supplemental Program to include remuneration earnable within a 5-year period, which includes the last year in which the member's final compensation is determined, when it is in excess of 125% of that member's compensation earnable in the year prior to that 5-year period, as specified. The bill would prohibit a member who retires on or after January 1, 2013, who elects to receive his or her retirement benefit under the Defined Benefit Supplemental Program as a lump-sum payment from receiving that sum until 180 days have elapsed following the effective date of the member's retirement. This bill contains other related provisions and other current laws.
