Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 authorizes a local agency formation commission to approve, after notice and hearing, a petition for a change of organization or reorganization of a city, if the petition was initiated on or after January 1, 2010, and before January 1, 2014, and waive protest proceedings entirely if certain requirements are met. This provision applies only to territory that does not exceed 150 acres. This Bill would delete the January 1, 2014, date and make conforming changes. This bill contains other related provisions and other existing laws.

Subject: Annexation Proceedings, CKH General Procedures

CALAFCO Comments: As amended, this bill removes the sunset date provision to waive protest proceedings for certain island annexations.

Unincorporated islands are more costly and inefficient for counties to administer as opposed to the local municipality. A sunset date was initially established on this ability to encourage the use of the provision and was extended to allow cities and LAFCOs additional time to implement island annexation programs. The unforeseen economic downturn over the past five years has significantly hampered the initial progress, and with the sunset ready to expire at the beginning of next year, cities and LAFCOs have yet to complete the work that the law intended them to do. Over the twelve year period since the law was established, hundreds of islands have been annexed, yet hundreds more remain.

Additionally, the bill was amended to reset the effective island creation date from January 1, 2000 to January 1, 2014 thus allowing smaller islands of less than 150 acres created after 2000 to be annexed under these provisions. Many of these current islands remained as remnants of larger substantially surrounded island areas that had irregular boundaries or were affected by the annexation of territory for newer development.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (act), provides the sole and exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts. This bill would specify that the definition excludes any independent special district having a legislative body consisting, in whole or in part, of ex officio members who are officers of a county or another local agency or who are appointees of those officers other than those who are appointed to fixed terms. Summary:

Beginning with the 2004-05 fiscal year and for each fiscal year thereafter, existing law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions, for the 2013-14 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation. This bill contains other related provisions and other existing laws.

Summary:

Would require a lead agency to translate, as specified, certain notices required by the California Environmental Quality Act and a summary of any negative declaration, mitigated negative declaration, or environmental impact report when a group of non-English-speaking people, as defined, comprises at least 25% of the population within the lead agency's jurisdiction and the project is proposed to be located at or near an area where the group of non-English-speaking people comprises at least 25% of the residents of that area. By requiring a lead agency to translate these notices and documents, this bill would impose a state-mandated local program. This bill contains other related provisions and other existing laws.

Position: Watch

Subject: CEQA

CALAFCO Comments: As amended, requires a lead agency to translate certain notices, summary of a negative declaration, mitigated negative declaration, or environmental impact report when the impacted community has 25% or more non-English speaking people affected by the project. The requirement is to translate these notices and summaries in the native language of those impacted. This is an unfunded mandate. While LAFCo is not typically the lead agency, there may be an occasion when they are, and this could have significant resource implications.

The bill would provide that if any entity develops criteria for the financial management training, then the Treasurer's office and the Controller's office shall be consulted regarding any proposed course content. The bill would declare that the edification of local government officials in financial management is a matter of statewide concern, thus making it applicable to charter cities, charter counties, and charter cities and counties.
