Summary:

The Strategic Growth Council is required to manage and award grants and loans to a council of governments, metropolitan planning organization, regional transportation planning agency, city, county, or joint powers authority for the purpose of developing, adopting, and implementing a regional plan or other planning instrument to support the planning and development of sustainable communities. This bill would make a local agency formation commission eligible for the award of financial assistance for those planning purposes.

[AB 1521](#) ([Fox D](#)) Local government finance: property tax revenue allocations: vehicle license fee adjustments.

Current Text: Vetoed: 9/29/2014 [pdf](#) [html](#)

1st House				2nd House							

Summary:

Beginning with the 2004-05 fiscal year, current law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a vehicle license fee property tax compensation fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise

required to be allocated to educational entities. This bill would modify these reduction and transfer provisions, for the 2014-15 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

CALAFCO Comments: This bill reinstates the VLF payment (through ERAF) and changes the way that the growth in the VLF adjustment amount (property tax in lieu of VLF) is calculated starting in FY 2014-15 to include the growth of assessed valuation, including in an annexed area, from FY 2004-05 to FY 2014-15. Beginning in FY 2015-16, the VLF adjustment amount would be the jurisdiction's annual change in the assessed valuation.

Summary:

Would require the State Water Resources Control Board to provide incentives for the consolidation of public water systems based upon a service review developed by a local agency formation commission. Subject: Disadvantaged Communities, Municipal Services, Service Reviews/Spheres

CALAFCO Comments: As amended, this bill requires the State Water Resources Control Board to provide incentives for the consolidation of public water systems based on LAFCo studies. It further requires the Board to adopt a policy handbook. Once done, this newly added provision will be repealed.

The bill has undergone a number of substantial amendments, consequently eliminating the provision that LAFCos be added to the list of eligible entities for receiving grant funding from the Strategic Growth Council. However it still acknowledges the importance and usefulness of Municipal Service Reviews at the state level by requiring the Board to use that data in their processes of consolidation incentives.

Summary:

Would require each county to develop, on or before January 2, 2018, a sustainable farmland strategy. The bill would require the sustainable farmland strategy to include, among other things, a map and inventory of all agriculturally zoned land within the county, a description of the goals, strategies, and related policies and ordinances, to retain agriculturally zoned land where practical and mitigate the loss of agriculturally zoned land to nonagricultural uses or zones, and a page on the county's Internet Web site with the relevant documentation for the goals, strategies, and related policies and ordinances, as specified.

Position: Watch

Subject: Ag/Open Space Protection, CKH General Procedures, LAFCo Administration

CALAFCO Comments: As amended, the bill requires counties with 4% or more of its land zoned as agricultural to create a sustainable farmland strategy (sfs) effective January 1, 2018, in consultation with cities and LAFCo, and to update the sfs as necessary. The bill also requires OPR to create best practices that support ag land retention and mitigation. The bill creates an unfunded mandate for counties.

Subject: Annexation Proceedings, CKH General Procedures, Disadvantaged Communities

CALAFCO Comments: As amended, the bill is intended to provide an incentive to cities to annex disadvantaged unincorporated communities by creating an option for a funding mechanism using a property tax sharing agreement by affected entities (to share the 1% tax dollars) and ensuing tax increment. A special district would be created to act as the vehicle for that funding. The bill allows LAFCo to consider, as part of the application, the formation of a new district or the reorganization of an existing district, but only if all of the affected agencies are in agreement.

CALAFCO had a number of concerns with the bill which were addressed by the author in the August 18th amendments.
