Contra Costa Local Agency Formation Commission  
 651 Pine Street, Sixth Floor  
 Martinez, CA 94553

**Legislative Report - Update and Position Letters**

Dear Members of the Commission:

This year marks the first year of a two-year legislative session in Sacramento. Presently, CALAFCO is sponsoring three bills and tracking a number of bills that have direct and indirect impact on LAFCOs (Attachment 1 - CALAFCO Legislative Report).

CALAFCO is sponsoring **AB 464** (Gallagher). This bill makes the necessary corrections to LAFCO law to allow LAFCOs to continue to approve annexations of areas already receiving services via an out of area service agreement. This bill was enrolled and is on the Governor’s desk.

CALAFCO is also sponsoring **AB 1725**, the annual Omnibus bill which makes technical, non-substantive changes to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. This bill includes five proposed items, all of which were approved by the CALAFCO Legislative Committee. This bill was last referred to the Appropriations Committee June 28<sup>th</sup>.

CALAFCO and the California Special Districts Association are co-sponsoring **AB 979** which facilitates the seating of special district members on LAFCO. This bill passed the Government & Finance Committee on June 21<sup>st</sup> and was referred to the Appropriations Committee.

In April, Contra Costa LAFCO sent letters supporting these three bills.

On June 22<sup>nd</sup>, CALAFCO issued an urgent call for legislative action requesting that each LAFCO send a letter urging the Governor to sign AB 464.

Contra Costa LAFCO’s legislative policy provides our LAFCO with flexibility to respond to urgent legislation that affects LAFCO. Specifically, the policy provides that in “*situations when proposed legislation affecting LAFCO cannot be considered by the full Commission due to timing, the Executive Officer, in consultation with the LAFCO Chair (or Vice Chair in the*

*absence of the Chair), is authorized to provide written or email comments communicating the Commission's position if the position is consistent with the adopted legislative policies of the Commission. The Chair or Vice Chair would review the letter or email prior to it being submitted. The Executive Officer will forward the email or letter to the Commission as soon as possible. The item will be placed on the next regular LAFCO meeting agenda as either "informational" or for discussion purposes."*

In response to CALAFCO's request, and in accordance with the Commission's policy, a letter urging the Governor to sign AB 464 was sent (Attachment 2).

***Little Hoover Commission (LHC) Update*** – On June 22, 2017, the LHC held a roundtable discussion on special districts and LAFCOs. CALAFCO was well represented with LAFCO staff and Commissioners. The study session focused on recommendations by the LHC aimed at enhancing special governance, transparency, climate change adaptation, and healthcare districts. The LHC will meet again in August to further refine its recommendations. A draft report is anticipated in early 2018.

In response to these discussions at the state level, CALAFCO has formed a working group focusing on healthcare districts (HCDs). The working group is currently focusing on four concepts: 1) guidelines for LAFCO Municipal Service Reviews (MSRs) covering HCDs; increasing local agency participation in LAFCO MSR process; 3) revisiting LAFCO funding apportionment relating to HCDs; and 4) enhancing LAFCO regulation of services (i.e., sale of hospital, activate/deactivate services, etc.).

On June 23<sup>rd</sup>, the CALAFCO Legislative Committee met and discussed these and other issues. Commissioner McGill and the Commission's Executive Officer participated in the conference call. Also, on June 29<sup>th</sup> and Commissioner McGill and the Executive Officer met with Assembly member Tim Grayson as a follow-up to our meeting in March 2017. We provided the Assembly Member an update on legislative issues of interest to LAFCO. Commissioner McGill and LAFCO staff are happy to provide additional information and respond to questions at the LAFCO meeting on July 12<sup>th</sup>.

**RECOMMENDATION** – Receive legislative update.

Sincerely,

LOU ANN TEXEIRA  
EXECUTIVE OFFICER

**Summary:**

Under current law, the California Public Records Act, requires a public agency, defined to mean any state or local agency, to make its public records available for public inspection and to make copies available upon request and payment of a fee, unless the public records are exempt from disclosure. This bill would require public agencies to designate a person or persons, or office or offices to act as the agency's custodian of records who is responsible for responding to any request made pursuant to the California Public Records Act and any inquiry from the public about a decision by the agency to deny a request for records. The bill also would make other conforming changes.

**Position:** Oppose

**Subject:** Public Records Act

**CALAFCO Comments:** As amended this bill requires any public agency to designate a person/office to act as the agency's custodian of records who will be responsible for responding to all public records requests and to respond to an inquiries as to why the agency denied the request for records. Further the bill adds a failure to respond for records or an improperly assessed fee can be considered a civil penalty and allows the courts to issue fines ranging from \$1000 - \$5000.

**Summary:**

Under the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, current law requires that an applicant seeking a change of organization or reorganization submit a plan for providing services within the affected territory that includes, among other requirements, an enumeration and description of the services to be extended to the affected territory and an indication of when those services can feasibly be extended. This bill would specify that the plan is required to also include specific information regarding services currently provided to the affected territory, as applicable, and make related changes.

**Subject:** Annexation Proceedings

**CALAFCO Comments:** This bill makes a fix to Gov. Code Sec. 56653 based on the court finding in the case of The City of Patterson v. Turlock Irrigation District. The court found that because the services were already being provided via an out of area service agreement, the application for annexation was deemed incomplete because it was not a new service to be provided. By making the fix in statute, any pending/future annexation for a territory that is already receiving services via an out of area service agreement will not be in jeopardy.

As amended, corrections were made to: 56653(b)(3) reading "proposed" rather than "provided", and in Government Code Section 56857 an exemption added pursuant to Public Utilities Code Section 9608 for territory already receiving electrical service under a service area agreement approved by the Public Utilities Commission pursuant to Public Utilities Code Section 9608.

**Summary:**

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides for the selection of representatives of independent special districts on each local agency formation commission by an independent special district selection committee pursuant to a nomination and election process. This bill would additionally require the executive officer to call and hold a meeting of the special district selection committee upon the adoption of a resolution of intention by the committee relating to proceedings for representation of independent special districts upon the commission pursuant to specified law.

**CALAFCO Comments:** This bill is co-sponsored by CALAFCO and CSDA. As amended, the bill amends code Sec. 56332.5 to streamline the process of seating special districts on LAFCo by mirroring current statute 56332 (the process for electing special district representatives into the special district seats). Keeping the process voluntary, it allows for voting by mail whether or not the district wants to have special districts represented on LAFCo. Further, it will allow for the consolidation of that question with the independent special district selection committee appointment to a countywide redevelopment agency oversight board pursuant to Health and Safety Code 34179 (j)(3).

**Summary:**

The Municipal Water District Law of 1911 provides for the formation of municipal water districts and grants to those districts specified powers. Current law permits a district to acquire, control, distribute, store, spread, sink, treat, purify, recycle, recapture, and salvage any water for the beneficial use of the district, its inhabitants, or the owners of rights to water in the district. Current law, upon the request of certain Indian tribes and the satisfaction of certain conditions, requires a district to provide service of water at substantially the same terms applicable to the customers of the district to the Indian tribe's lands that are not within a district, as prescribed. This bill would additionally authorize a district to provide this service of water to an Indian tribe's lands that are not within the district if the Indian tribe's lands are owned by the tribe.

**Summary:**

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 provides the exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts, as specified. The act defines various terms for these purposes, including the term "contiguous," which the act defines as territory adjacent to territory within the local agency. This bill would instead define "contiguous" as territory that abuts or shares a common boundary with territory within a local agency.

**Summary:**

Beginning with the 2004–05 fiscal year and for each fiscal year thereafter, existing law requires that each city, county, and city and county receive additional property tax revenues in the form of a vehicle license fee adjustment amount, as defined, from a Vehicle License Fee Property Tax Compensation Fund that exists in each county treasury. Current law requires that these additional allocations be funded from ad valorem property tax revenues otherwise required to be allocated to educational entities. This bill would modify these reduction and transfer provisions for a city incorporating after January 1, 2004, and on or before January 1, 2012, for the 2017–18 fiscal year and for each fiscal year thereafter, by providing for a vehicle license fee adjustment amount calculated on the basis of changes in assessed valuation.

**CALAFCO Comments:** This bill is identical to SB 817 (Roth, 2016), SB 25 (Roth, 2015) and SB 69 (Roth, 2014) with the exception of the chaptering out language included in the 2016 version (which addressed the companion bill AB 2277 (Melendez, 2016)). The bill calls for reinstatement of the VLF through ERAF for cities that incorporated between January 1, 2004 and January 1, 2012. There are no provisions for back payments for lost revenue, but the bill does reinstate future payments beginning in the 2017/18 year for cities that incorporated between 1-1-2004 and 1-1-2012.

This bill would instead require special districts defined by a specified provision to file those audit reports with the Controller and special districts defined by another specified provision to file those audit reports with the Controller and with the local agency formation commission of either the county in

which the special district is located or, if the special district is located in 2 or more counties, with each local agency formation commission within each county in which the district is located.

**CALAFCO Comments:** As amended substantially on May 26, this bill authorizes LAFCo to dissolve inactive districts (after determining they meet the criteria set forth in the statute) by holding one hearing, without conducting a special study and with the waiver of protest proceedings. The bill is currently silent on how the LAFCo knows a district is inactive and the time frame in which the LAFCo must take the dissolution action. CALAFCO has been working with stakeholders and the authors office on pending amendments that will help clarify the process and connect other statutes to these actions. CALAFCO submitted amendments on June 18 for the authors consideration.

**Summary:**

Would create the Omnitrans Transit District in the County of San Bernardino. The bill would authorize other cities in the County of San Bernardino to subsequently join the district.

**Position:** None at this time

**CALAFCO Comments:** This bill, as amended, appears to dissolve the Omnitrans JPA and form a new independent special district to be known as the Omnitrans Transit District. The formation process does not include LAFCo. CALAFCO is reaching out to the author's office for more details.

**Summary:**

Current law defines a disadvantaged community as a community with an annual median household income that is less than 80% of the statewide annual median household income for various purposes, that include, but are not limited to, the Water Quality, Supply, and Infrastructure Improvement Act of 2014, eligibility for certain entities to apply for funds from the State Water Pollution Cleanup and Abatement Account, and authorization for a community revitalization and investment authority to carry out a community revitalization plan. This bill would expand the definition of a disadvantaged community to include a community with an annual per capita income that is less than 80% of the statewide annual per capita income.

**Position:** Watch

**Subject:** Disadvantaged Communities

**CALAFCO Comments:** Sponsored by the Environmental Justice Coalition for Water, this bill is intended to expand the definition of disadvantaged communities to include multi-family households. According to the author's office this will be a two-year bill. CALAFCO will retain a Watch position until any amendments are in print.

**Summary:**

Under current law, if a change of organization consists of a dissolution, the commission is required to order the dissolution subject to confirmation of voters if, among other things, the proposal was not initiated by the commission and if a subject agency has not objected to the proposal, the commission has found that, for an inhabited territory protests have been signed by either 25% of the number of landowners within the affected territory who own at least 25% of the assessed value of land within the territory or 25% of the voters entitled to vote as a result of residing or owning land within the affected territory. This bill would decrease that threshold to 10% of the number of landowners within the affected territory who own at least 25% of the assessed value of land within the territory or 10% of the voters entitled to vote as a result of residing or owning land within the affected territory.

**Summary:**

Current law, upon the request of certain Indian tribes and the satisfaction of certain conditions, requires a district to provide service of water at substantially the same terms applicable to the customers of the district to the Indian tribe's lands that are not within a district, as prescribed. This bill would authorize, rather than require, a district to provide this service of water. The bill would apply this authorization to all Indian tribes whose lands are owned by the tribe.

**Position:** Watch

**Subject:** Water

**CALAFCO Comments:** According to the author's office, this may very well become a two-year bill. The intent of the bill was to make it permissive for an Indian tribe to negotiate directly with a water provider to obtain water services. This would circumvent LAFCo. This bill expands on last year's bill by Gonzalez-Fletcher, AB 2470. The author's office has indicated the bill will not move forward in it's current version. They understand CALAFCO's concerns. CALAFCO will continue to monitor the bill for any amendments and will consider a position if/when amendments are in print.

**CALAFCO Comments:** This bill calls for the formation of a regional park and open space district which will circumvent the LAFCo formation process. CALAFCO discussed our concerns with the author's office, who has made it clear they will not be considering any potential amendments unless requested by Solano LAFCo. As Solano LAFCo is now formally in support of the bill, it is not likely there will be any amendments.

**CALAFCO Comments:** This bill renews partial subvention funding for the Williamson Act as a fiscal incentive to lift contract moratoria, implements solar use easements and Farmland Security Zone Contracts, and increases subvention funding for counties that adopt conservation planning strategies for agriculturally zoned property that further our state's sustainable community goals.

**Summary:**

Current law, the Castaic Lake Water Agency Law, created the Castaic Lake Water Agency and authorizes the agency to acquire water and water rights, including water from the State Water Project, and to provide, sell, and deliver water at wholesale for municipal, industrial, domestic, and other purposes. This bill would repeal the Castaic Lake Water Agency Law. This bill contains other related provisions and other current laws.

**Subject:** Special District Consolidations

**CALAFCO Comments:** As amended, this bill consolidates two independent water districts in Los Angeles. The bill was amended to include LAFCo in the process via an application for binding conditions. As statute does not allow the local LAFCo to deny the application when both district boards have adopted resolutions of support, the amendments of May 26 address all of CALAFCO's concerns. As a result CALAFCO has removed our opposition and now is neutral on the bill.

**Summary:**

Would specifically authorize the establishment of the Lower San Gabriel River Recreation and Park District, by petition or resolution submitted to the Los Angeles County Local Agency Formation Commission before January 1, 2020, subject to specified existing laws governing recreation and park districts, including their formation, except as provided. The bill would authorize specified city councils and the Los Angeles County Board of Supervisors to appoint members to, and the executive officer of the conservancy to serve as a member on, the initial board of directors of the district.

**Position:** Watch

**Subject:** LAFCo Administration

**CALAFCO Comments:** This bill forms the Lower San Gabriel River Recreation and Park District while leaving a majority of the LAFCo process intact. CALAFCO will keep watching to ensure it stays that way.

**RE: Request to Sign AB 464 (Gallagher) Local Government Reorganization**

Dear Governor Brown:

The Contra Costa Local Agency Formation Commission (LAFCO) respectfully requests that you sign **Assembly Bill 464** (Gallagher) which is now before you for action. **AB 464** makes necessary technical changes to existing LAFCO law to solidify the current practice of LAFCOs approving annexations of areas already being served by a local agency through an out of area service agreement (Government Code Section 56133).

As a result of a court decision in 2014 in the case of *City of Patterson v. Turlock Irrigation District*, all future annexations of an area receiving services through an approved out of area service agreement will not be valid. What began as a local issue has now become a critical statewide concern. This bill seeks to remedy that problem by ensuring that under certain conditions, LAFCOs can continue to evaluate applications which include the annexation of territory where services are already being provided via an out of area service agreement. Further, the bill allows for common sense boundary alignments and more predictable growth planning.

By allowing the annexation of these areas, **AB 464** also ensures the people paying for and receiving the services, can participate in elections and potentially serve on the governing board of the service provider.

It is important to note that this bill does not change the current rights of a city or district to oppose an annexation, nor does it change any protest provisions in current law. It simply ensures the ability for LAFCOs to continue the practice of common sense boundary oversight for service providers. As there are many pending annexations throughout the state that are associated with previously approved out of area service extensions, this legislation is critical to the successful annexation of these areas.

The bill has had unanimous support in both the Assembly and Senate and makes necessary corrections to existing law to allow for the ongoing annexation of areas that may already be receiving services. As **AB 464** is good public policy, we respectfully urge you to sign **AB 464**.

Sincerely,

DONALD A. BLUBAUGH, CHAIR  
CONTRA COSTA LAFCO
