**Legislative Report - Update and Position Letter**

Dear Members of the Commission:

This year marks the first year of a two-year legislative session in Sacramento. Due to COVID-19, the Legislature has largely been shut down since March 2020. The Legislature is currently in session and the public can participate via teleconference.

The deadline to introduce new bills was February 19, 2021. CALAFCO is currently tracking 33 bills as shown on the attached report (Attachment 1). The 2021 Legislative calendar notes that the last day for each house to pass bills is September 10, 2021; and the last day for the Governor to sign/veto bills is October 10, 2021.

CALAFCO is sponsoring its annual omnibus **AB 1581 Assembly Local Government Committee** (ALGC) which includes technical changes to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. On March 18th, CALAFCO issued a call for legislative action requesting that each LAFCO send a letter of support for the AB 1581 by April 22, 2021 Attached please find the draft letter for the Commission’s consideration (Attachment 2).

One of the bills CALAFCO is tracking is AB 903 (Frazier) Los Medanos Community Healthcare District (LMCHD). This bill would dissolve LMCHD and name Contra Costa County as the successor agency. As of this writing, CALAFCO and California Special Districts Association have “watch” positions on this bill, and the Association of California Healthcare Districts has not yet taken a position. AB 903 was referred to the ALGC.

Contra Costa County has taken a support position on AB 903. Given the Commission’s prior action to dissolve LMCHD, LAFCO staff and the LAFCO Chair submitted a letter supporting AB 903 (Attachment 3) due to time sensitivity. The Assembly Local Government Committee will hold a hearing on AB 903 on April 14, 2021.

Contra Costa LAFCO's legislative policy provides our LAFCO with flexibility to respond to urgent legislation that affects LAFCO. Specifically, the policy provides that in *"situations when proposed legislation affecting LAFCO cannot be considered by the full Commission due to timing, the Executive Officer, in consultation with the LAFCO Chair (or Vice Chair in the absence of the Chair), is authorized to provide written or email comments communicating the Commission's position if the position is consistent with the adopted legislative policies of the Commission. The Chair or Vice Chair would review the letter or email prior to it being submitted. The Executive Officer will forward the email or letter to the Commission as soon as possible. The item will be placed on the next regular LAFCO meeting agenda as either "informational" or for discussion purposes."*

Other CALAFCO legislative activities include working with several state associations to rewrite the LAFCO protest provisions. The Protest Provisions Rewrite Working Group is currently meeting virtually.

**RECOMMENDATION** – Receive legislative update and provide direction to staff.

Sincerely,

LOU ANN TEXEIRA  
EXECUTIVE OFFICER

### [AB 339](#) (Lee D) State and local government: open meetings.

**Current Text:** Introduced: 1/28/2021 [html](#) [pdf](#)

**Introduced:** 1/28/2021

**Status:** 1/29/2021-From printer. May be heard in committee February 28.

1st House				2nd House							

**Summary:**

Current law requires all meetings, as defined, of a house of the Legislature or a committee thereof to be open and public, and requires all persons to be permitted to attend the meetings, except as specified. This bill would require all meetings, including gatherings using teleconference technology, to include an opportunity for all persons to attend via a call-in option or an internet-based service option that provides closed captioning services and requires both a call-in and an internet-based service option to be provided to the public.

**Attachments:**

**CALAFCO Comments:** This bill allows for continued remote participant in local (and state) hearings/meetings while adding requirements for both call-in and internet service based options for all public meetings; requires providing closed caption services; and requires agencies to provide language access services.

The bill requires teleconferenced meetings to include an in-person public comment opportunity that creates a place where members of the public can gather at a designated site to give public comment (barring any in-person restrictions). Further, the bill requires the agenda and instructions for accessing the meeting to be translated into all languages for which 5% of the population in the area governed by the local agency is a speaker.

The bill adds requirements for local agencies to employ a sufficient amount of qualified bilingual people to provide translation services during the meeting in the language of the non-English speaking person (consistent with all languages for which 5% of the population in the area governed by the local agency speak).

The bill adds similar requirements for any state legislative body. All of these new requirements are unfunded mandates.

This bill is sponsored by the Leadership Counsel for Justice and Accountability. A fact sheet is posted in the tracking section of the bill.

**Summary:**

Would authorize a local agency to use teleconferencing without complying with the teleconferencing requirements imposed by the Ralph M. Brown Act when a legislative body of a local agency holds a meeting for the purpose of declaring or ratifying a local emergency, during a declared state of emergency or local emergency, as those terms are defined, when state or local health officials have imposed or recommended measures to promote social distancing, and during a declared local emergency provided the legislative body makes certain determinations by majority

vote. The bill would require legislative bodies that hold teleconferenced meetings under these abbreviated teleconferencing procedures to give notice of the meeting and post agendas, as described, to allow members of the public to access the meeting and address the legislative body, to give notice of the means by which members of the public may access the meeting and offer public comment.

**Attachments:**

**Subject:** Brown Act

**CALAFCO Comments:** Executive Order No. N-29-20 suspends the Ralph M. Brown Act's requirements for teleconferencing during the COVID-19 pandemic provided that certain requirements are met (noticing, public access, etc.). This bill allows a local agency to conduct meetings using teleconference methods without complying with certain teleconferencing requirements if they are meeting for the purposes of declaring or ratifying a local emergency, during a declared state or local emergency (as defined in statute), when state or local health officials have imposed or recommended certain measures to promote social distancing, and during a declared local emergency provided the legislative body makes certain determinations by majority vote.

The legislative body must give notice of the meeting and post agendas to allow members of the public to access the meeting and address the legislative body, offer public comment, and protect rights of the parties and public appearing before the legislative body. The bill also rescinds the requirement that at least a quorum of the body must meet within the jurisdictional boundaries of the agency under these circumstances when meeting via telecon.

This bill is sponsored by the CA Special Districts Association (CSDA). According to CSDA, amendments are pending that will: address concerns of access mentioned throughout the fact sheet (e.g., call-in or internet-based access), language prohibiting local agencies from requiring that public comments be submitted in advance, adding a 30-day sunset provision, and addressing technological disruptions, limiting the applicability of the bill's provisions to local emergencies proclaimed by counties (i.e., not cities) and technical language about the immediacy of the health threats covered by the bill. The bill is not marked fiscal. A fact sheet is posted in the tracking section of the bill.

**Summary:**

Current law, by Executive Order N-29-20, suspends the Ralph M. Brown Act's requirements for teleconferencing during the COVID-19 pandemic, provided that notice requirements are met, the ability of the public to observe and comment is preserved, as specified, and that a local agency permitting teleconferencing have a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, as specified. This bill would remove the requirements of the act particular to teleconferencing and allow for teleconferencing subject to existing provisions regarding the posting of notice of an agenda and the ability of the public to observe the meeting and provide public comment. The bill would require that, in each instance in which notice of the time of the teleconferenced meeting is otherwise given or the agenda for the meeting is otherwise posted, the local agency also give notice of the means by which members of the public may observe the meeting and offer public comment and that the legislative body have and implement a procedure for receiving and swiftly resolving requests for reasonable accommodation for individuals with disabilities, consistent with the federal Americans with Disabilities Act, as provided.

**Position:** Watch

**Subject:** Brown Act

**CALAFCO Comments:** As introduced, the bill removes the requirement to post agendas at all teleconference meeting locations and having to identify all telecon locations in the notice and agenda for the meeting. The bill explicitly requires a local agency to give notice to the public how they can observe the meeting and offer public comment. It further required the local agency to respond to requests for reasonable ADA accommodation requests. The bill also removes certain

provisions relating to the telecon meeting of a health authority.

It is CALAFCO's understanding that the author is working with Assm. Rivas (AB 361) and the Assembly Local Government Committee on amendments and possibly joining the two bills. Amendments are not yet available so CALAFCO will keep a watch on the bill until those are available.

The bill is sponsored by Three Valleys Municipal Water Agency.

**Summary:**

Current law requires a local agency formation commission to develop and determine the sphere of influence of each city and each special district within the county and enact policies designed to promote the logical and orderly development of areas within each sphere. Current law requires the commission, in order to prepare and update spheres of influence in accordance with this requirement, to conduct a service review of the municipal services provided in the county or other appropriate area designated by the commission, as specified. Current law requires the commission to adopt, amend, or revise spheres of influence after a public hearing called and held for that purpose. This bill would revise and recast that provision to provide that the commission is required to adopt, amend, or update spheres of influence after a public hearing called and held for that purpose.

**Summary:**

Current law establishes the Safe and Affordable Drinking Water Fund in the State Treasury to help water systems provide an adequate and affordable supply of safe drinking water in both the near and long terms. Current law authorizes the state board to provide for the deposit into the fund of certain moneys and continuously appropriates the moneys in the fund to the state board for grants, loans, contracts, or services to assist eligible recipients. This bill would prohibit, once an operator of a public water system exercises water rights for the benefit of the public water system, those surface water rights or groundwater rights from being severed or otherwise separated from the public water system.

**CALAFCO Comments:** AB 1195 creates the Southern Los Angeles County Regional Water Agency, intended to provide a framework for regional water collaboration that reduces conflict and provides a public agency that can take over failing water systems. The bill does a number of things including: Authorizes the Regional Agency to do the full range of activities related to water, from operating wholesale and retail public water systems to reducing stormwater pollution and cleaning up groundwater contamination; establishes a board of directors made up of locally elected council members (including COG appointed representatives); and authorizes the Regional Agency to draw revenues from the customers for the public water systems it operates and the services it provides, which may include water rates, charges, fees, or parcel charges. The bill specifies the boundaries of

the new Agency, as well as the authority and powers, and governance structure.

In its current form, this is a special legislation Agency without LAFCo involvement in the formation. CALAFCO and LA LAFCo are working to find out what local entities were involved in the discussions of this legislation and what the intended and unintended impacts/consequences this bill will have.

The bill is author-sponsored and we understand there is currently no funding source. A fact sheet is posted in the tracking section of the bill.

**Summary:**

The California Safe Drinking Water Act, provides for the operation of public water systems and imposes on the State Water Resources Control Board related regulatory responsibilities and duties. Current law authorizes the state board to order consolidation of public water systems where a public water system or state small water system serving a disadvantaged community consistently fails to provide an adequate supply of safe drinking water, as provided. This bill, the Consolidation for Safe Drinking Water Act of 2021, would authorize a water or sewer system corporation to file an application and obtain approval from the commission through an order authorizing the water or sewer system corporation to consolidate with a public water system or state small water system. The bill would require the commission to approve or deny the application within 8 months, except as provided.

**Attachments:**

[AB 1250 Fact Sheet 2021](#)

**Position:** Watch

**Subject:** Municipal Services, Water

**CALAFCO Comments:** The intent of the bill is to prescribe response timelines for the PUC in terms of processing consolidations. This bill creates the Consolidation for Safe Drinking Water Act of 2021. The bill allows a water or sewer corp to file an application with the Public Utilities Commission (PUC) to approval to consolidate with a public or state small system. The bill requires the PUC to act on the application within 8 months of receipt. If a consolidation is valued at \$5 million or less, the water or sewer corp can file an advise letter and get the PUC approval via resolution. In this instance, the PUC has 120 days to act on the request. The bill also give the PUC authority to designate a different procedure to request consolidation for systems valued less than \$5M.

The bill requires the PUC to prioritize consolidation requests based on compliance records and requires the entity requesting consolidation to conduct a thorough public process.

The bill is sponsored by the California Water Association and does not have an impact on LAFCOs. Nevertheless, CALAFCO will keep a watch on the bill. A fact sheet is posted in the tracking section of the bill.

**Summary:**

Current law requires the Director of Forestry and Fire Protection to identify areas in the state as very high fire hazard severity zones based on the severity of fire hazard that is expected to prevail in those areas, as specified, and requires each local agency to designate, by ordinance, the very high fire hazard severity zones in its jurisdiction. Current law additionally requires the director to classify lands within state responsibility areas into fire hazard severity zones. This bill, beginning on or after January 1, 2022, would prohibit the legislative body of a city or county from entering into a

residential development agreement for property located in a very high fire risk area. The bill would define "very high fire risk area" for these purposes to mean a very high fire hazard severity zone designated by a local agency or a fire hazard severity zone classified by the director.

**CALAFCO Comments:** This bill prohibits a city or county from entering into a residential development agreement for property located within a very high fire risk area as of 1-1-2022.

This bill appears similar to SB 55 (Stern) except: (1) This bill explicitly calls out residential development, whereas SB 55 addresses new development (housing, commercial, retail or industrial) in a very high fire hazard severity zone; and (2) SB 55 adds a state responsibility area.

The bill is not marked fiscal. This is an author-sponsored bill and a fact sheet is posted in the tracking section of the bill.

**Summary:**

Would, in furtherance of specified state housing production, sustainability communities strategies, greenhouse gas reduction, and wildfire mitigation goals, prohibit the creation or approval of a new development, as defined, in a very high fire hazard severity zone or a state responsibility area unless there is substantial evidence that the local agency has adopted a comprehensive, necessary, and appropriate wildfire prevention and community hardening strategy to mitigate significant risks of loss, injury, or death, as specified. By imposing new duties on local governments with respect to the approval of new developments in very high fire hazard severity zones and state responsibility areas, this bill would impose a state-mandated local program.

This bill appears similar to AB 1295 (Muratsuchi) except this bill appears to be broader in scope in terms of the type of development prohibited and includes a state responsibility area, whereas AB 1295 only addresses residential development in a very high fire risk area.

**Summary:**

The California Safe Drinking Water Act authorizes the State Water Resources Control Board to order consolidation with a receiving water system where a public water system or a state small water system, serving a disadvantaged community, consistently fails to provide an adequate supply of safe drinking water or where a disadvantaged community is substantially reliant on domestic wells that consistently fail to provide an adequate supply of safe drinking water. This bill would authorize

the state board to also order consolidation where a water system serving a disadvantaged community is at risk of failing to provide an adequate supply of safe drinking water or where a disadvantaged community is substantially reliant on domestic wells that are at risk of failing to provide an adequate supply of safe drinking water.

**Attachments:**

**Subject:** Disadvantaged Communities, Water

**CALAFCO Comments:** Current law (Health & Safety Code Section 116682) authorizes the State Water Resources Control Board (Board) to order consolidation (physical or operational) of a public water system or state small water system serving a disadvantaged community that consistently fails to provide an adequate supply of safe drinking water, or a disadvantaged community (in whole or part) that is substantially reliant on domestic wells that consistently fail to provide an adequate supply of safe drinking water. This bill would add to that a water system or domestic well(s) that are at risk of failing to provide an adequate supply of safe drinking water, as determined by the Board. The bill also requires the Board, before ordering consolidation, to conduct outreach to ratepayers and residents served by the at-risk system and to consider any petition submitted by members of a disadvantaged community being served by the at-risk system.

There appears to be several problems with this bill: (1) The bill does not define "at risk" and there is no definition of "at risk" currently in H&S Code Sec. 116681; (2) There is a lack of consultation with GSAs by the State Board when considering ordering consolidation or extension of service; (3) There is no requirement or even consideration for annexation upon extension of service; and (4) there does not appear to be a limitation of the number of connections or the extent to which the system can be extended.

The bill is co-sponsored by the Leadership Counsel for Justice and Accountability, Clean Water Action and Community Water Center. A fact sheet is posted in the tracking section of the bill.

**CALAFCO Comments:** As amended on 1/21/21, this bill authorizes/requires the Strategic Growth Council (SGC) to establish up to 12 regional climate change authorities by January 1, 2023, to include local agencies and regional stakeholders. The SGC is required to adopt guidelines that: (1) Define the authority; (2) Include guidelines for establishing an authority via a stakeholder-driven process; (3) Consult with OPR (and other state authorities) in development of the guidelines and award annual grants to authorities.

The bill outlines the regional climate change authorities in summary as: coordination, capacity-building, and technical assistance activities within their boundaries, promote regional alignment and assist local agencies in creating and implementing plans developed pursuant to Section 65302 of the Government Code, other federal or state mandates, and programs designed address climate

change impacts and risks. The bill also requires the authority to submit annual reports to the SGC, with the scope of the report outlined in the bill.

Would enact various conforming and technical changes related to another bill that recodifies and reorganizes the California Public Records Act. The bill would only become operative if the related bill recodifying the act is enacted and becomes operative on January 1, 2023. The bill would also specify that any other bill enacted by the Legislature during the 2021 calendar year that takes effect on or before January 1, 2022, and that affects a provision of this bill shall prevail over this act, except as specified.

**Subject:** Public Records Act

**CALAFCO Comments:** This bill is a redo of AB 2438 from 2020 that did not move forward. According to the author's office, this bill and AB 473 are part of recommendations from the California Law Revision Commissions to reorganize and restructure the CPRA based on a request by the legislature for them to do that. CALAFCO will keep watch on the bill to ensure there are no substantive changes to the PRA.

**Summary:**

Current law requires, by July 1, 2017, and every 3 years thereafter, the Natural Resources Agency to update, as prescribed, the state's climate adaptation strategy, known as the Safeguarding California Plan. Current law establishes the Office of Planning and Research in state government in the Governor's office. Current law establishes the Integrated Climate Adaptation and Resiliency Program to be administered by the office to coordinate regional and local efforts with state climate adaptation strategies to adapt to the impacts of climate change, as prescribed. This bill would authorize eligible entities, as defined, to establish and participate in a regional climate network, as defined. The bill would require the office to encourage the inclusion of agencies with land use planning authority into regional climate networks.

**Attachments:**

**Position:** Watch

**Subject:** Climate Change

**CALAFCO Comments:** As introduced, the bill builds on existing programs through OPR by promoting regional collaboration in climate adaptation planning and providing guidance for regions to identify and prioritize projects necessary to respond to the climate vulnerabilities of their region.

The bill requires OPR to develop guidelines (the scope of which are outlined in the bill) for Regional Climate Adaptation Action Plans (RCAAPs) by 7-1-22 through their normal public process. Further the bill requires OPR to make recommendations to the Legislature on potential sources of financial assistance for the creation & implementation of RCAAPs, and ways the state can support the creation and ongoing work of regional climate networks. The bill would allow LAFcos to be a part of these regional climate networks.

This is an author-sponsored bill. The bill necessitates additional resources from the state to carry out the additional work required of OPR (there is no current budget appropriation). A fact sheet is posted in the tracking section of the bill.

**Summary:**

Would require the dissolution of the Los Medanos Community Healthcare District, as specified. The bill would require the County of Contra Costa to be successor of all rights and responsibilities of the district, and require the county to complete a property tax transfer process to ensure the transfer of the district's health-related ad valorem property tax revenues to the county in order to operate the Los Medanos Area Health Plan Grant Program. By requiring a higher level of service from the County of Contra Costa as described above, the bill would impose a state-mandated local program.

**Position:** Watch

**CALAFCO Comments:** This bill mandates the dissolution of the Los Medanos Community Healthcare District with the County as the successor agency, effective 2-1-22. The bill requires the County to perform certain acts prior to the dissolution. The LAFco is not involved in the dissolution as the bill is written. Currently, the district is suing both the Contra Costa LAFco and the County of Contra Costa after the LAFco approved the dissolution of the district upon application by the County and the district failed to get enough signatures in the protest process to go to an election.

**Summary:**

Current law prescribes procedures, including the election of a board of directors, for the formation

of regional park districts, regional park and open-space districts, or regional open-space districts. Current law authorizes 3 or more cities, together with any parcel or parcels of city or county territory, whether in the same or different counties, to organize and incorporate, but requires that all the territory in the proposed district be contiguous. Current law requires the board of directors to superintend, control, and make available to all the inhabitants of the district all public recreation lands and facilities, as provided. Existing law authorizes the board to adopt regulations. Current law provides that a violation of an ordinance, rule, or regulation adopted by the board is a misdemeanor punishable by a fine or imprisonment in the county jail, as provided. This bill would authorize the board of directors to adopt regulations relating to nuisances and establish a procedure for the abatement of the nuisances, including administrative abatement.

**Summary:**

The Political Reform Act of 1974 regulates conflicts of interests of public officials and requires that public officials file, with specified filing officers, periodic statements of economic interests disclosing certain information regarding income, investments, and other financial data. The Fair Political Practices Commission is the filing officer for statewide elected officers and candidates and other specified public officials. If the Commission is the filing officer, the public official generally files with their agency or another person or entity, who then makes a copy and files the original with the Commission. This bill would revise and recast these filing requirements to make various changes, including requiring public officials and candidates for whom the Commission is the filing officer to file their original statements of economic interests electronically with the Commission.

**Position:** Watch

**Subject:** FPPC

**CALAFCO Comments:** As introduced, this bill makes two notable changes to the current requirements of gift notification and reporting: (1) It increases the period for public officials to reimburse, in full or part, the value of attending an invitation-only event, for purposes of the gift rules, from 30 days from receipt to 30 days following the calendar quarter in which the gift was received; and (2) It reduces the gift notification period for lobbyist employers from 30 days after the end of the calendar quarter in which the gift was provided to 15 days after the calendar quarter. Further it requires the FPPC to have an online filing system and to redact contact information of filers before posting.

**Summary:**

Would require the commissions for the County of Imperial and the County of Riverside to conduct

and publish on their internet websites, by December 1, 2022, a joint study of voting rights, and options for providing electricity, in the Imperial Irrigation District. The bill would require the joint study to include a description of voting rights in the district and a determination of whether and how the district can extend voting rights to its residents, as well as options for providing electricity in the district's jurisdiction and other affected service areas, in the circumstance that the district desires to no longer provide electrical service in its jurisdiction.

**Position:** Watch

**Subject:** Special Districts Governance

**CALAFCO Comments:** As amended on 3/18/21, the bill focuses on the Imperial Irrigation District. The bill requires Imperial and Riverside LAFcos to conduct a special study of voting rights and options for providing electricity in the district area should the district decide it no longer desires to provide that serve, to be completed by December 31, 2022, as an unfunded mandate. The bill also requires membership of the district board to increase from 5 to 8 members, with the additional 3 members residing in Riverside County in the area being serviced by the district and appointed by the County Supervisor of that County district. The three new members will be non-voting members.

CALAFCO met with the author's staff on March 18 to discuss concerns on the bill, with input from Riverside and Imperial LAFcos (who will meet with the author's office as well). Concerns include: (1) The unfunded mandate and timing of the study; (2) As representation in the Riverside County service area is the issue, governance structure should also be a part of the study; (3) Section 21562.6 of the Water Code as added is far too vague. CALAFCO offered specific suggestions for clarification in this section.

This bill is similar to AB 854 (2019), which died in Appropriations. CALAFCO had a Watch position on that bill as the two member LAFcos had opposing positions, and this is a local matter. However, there is concern about requiring a study without funding (the last time the Legislature mandated a special study on a district it required the study be funded by the district).

The bill is author-sponsored and as of now there is no budget appropriation to cover cost.

**Summary:**

Current law creates a city selection committee in each county that consists of 2 or more incorporated cities for the purpose of appointing city representatives to boards, commissions, and agencies. Under current law, a quorum for a city selection committee requires a majority of the number of the incorporated cities within the county entitled to representation on the city selection committee. Current law requires a city selection committee meeting to be postponed or adjourned to a subsequent time and place whenever a quorum is not present at the meeting. This bill would reduce the quorum requirement to 1/3 of all member cities within the county for a meeting that was postponed to a subsequent time and place because a quorum was not present, as long as the agenda is limited to items that appeared on the immediately preceding agenda where a quorum was not established.

In this regard, the bill would require the Department of Housing and Community Development, in consultation with the Office of Planning and Research, to determine jobs-rich areas and publish a map of those areas every 5 years, commencing January 1, 2023, based on specified criteria. **Summary:**

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 establishes a pilot program under which the commissions in the Counties of Napa and San Bernardino, upon making specified determinations at a noticed public hearing, may authorize a city or district to provide new or extended services outside its jurisdictional boundary and outside its sphere of influence to support existing or planned uses involving public or private properties, as provided. Current law requires the Napa and San Bernardino commissions to submit a report to the Legislature on their participation in the pilot program, as specified, before January 1, 2020, and repeals the pilot program as of January 1, 2021. This bill would reestablish the pilot program, which would remain in effect until January 1, 2026. The bill would impose a January 1, 2025, deadline for the Napa and San Bernardino commissions to report to the Legislature on the pilot program, and would require the contents of that report to include how many requests for extension of services were received under these provisions.

**Position:** Watch

**Subject:** CKH General Procedures

**CALAFCO Comments:** This bill is the same as SB 799 from 2020 and seeks to re-establish and continue the pilot program for five more years. The program ended as of January 1, 2021 but due to the pandemic, SB 799 from 2020 to extend the sunset was not moved forward in the legislature.

There are amendments pending from the City of St. Helena that as proposed would drastically change the intent of SB 13. CALAFCO is working with the author's office, Napa and San Bernardino LAFCOs and the City of St. Helena on those amendments and will carefully watch the bill.

**Summary:**

Would require the El Dorado County elections official, with the assistance of the Fallen Leaf Lake Community Services District, to conduct district elections pursuant to the Uniform District Election Law, except as otherwise provided in the bill. The bill, notwithstanding existing law, would provide that voters who are resident registered voters of the district, and voters who are not residents but either own a real property interest in the district or have been designated by the owner of a real property interest to cast the vote for that property, may vote in a district election in the Fallen Leaf Lake Community Services District, as specified. The bill would require the designations of voters and authority of legal representatives to be filed with the El Dorado County elections official and the secretary of the Fallen Leaf Lake Community Services District and maintained with the list of qualified voters of the district. This bill contains other related provisions and other existing laws.

**Position:** Watch

**Subject:** Special Districts Governance

**CALAFCO Comments:** This bill is the same as SB 1180 from 2020 which did not move through the legislature. It is a local El Dorado County/district bill. This bill does several things. (1) Provides that voters who are resident registered voters of the district, and voters who are not residents but either own a real property interest in the district or have been designated by the owner of a real property interest to cast the vote for that property, may vote in a district election in the Fallen Leaf Lake Community Services. (2) The bill also would authorize a voter who is not a resident of the district but owns a real property interest in the district to designate only one voter to vote on their behalf, regardless of the number of parcels in the district owned by the nonresident voter. (3) This bill would prohibit the Fallen Leaf Lake Community Services District from providing any services or facilities except fire protection and medical services, including emergency response and services, as well as parks and recreation services and facilities.

**Summary:**

current law requires certain transportation planning agencies to prepare and adopt a regional transportation plan directed at achieving a coordinated and balanced regional transportation system. Certain of these agencies are designated under federal law as metropolitan planning organizations. Existing law requires that each regional transportation plan include a sustainable communities strategy developed to achieve greenhouse gas emission reduction targets for the automobile and light truck sector for 2020 and 2035 established by the State Air Resources Board. This bill would require that the sustainable communities strategy be developed to additionally achieve greenhouse gas emission reduction targets for the automobile and light truck sector for 2045 and 2050 and vehicle miles traveled reduction targets for 2035, 2045, and 2050 established by the board. The bill would require the exercise of any new authority granted under the bill to comply with the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000. Current law authorizes a person to request that a copy of an agenda, or a copy of all the documents constituting the agenda packet, of any meeting of a legislative body be mailed to that person. This bill would require a local agency with an internet website, or its designee, to email a copy of, or website link to, the agenda or a copy of all the documents constituting the agenda packet if the person requests that the items be delivered by email. If a local agency determines it to be technologically infeasible to send a copy of the documents or a link to a website that contains the documents by email or by other electronic means, the bill would require the legislative body or its designee to send by mail a copy of the agenda or a website link to the agenda and to mail a copy of all other documents constituting the agenda packet, as specified.

**Summary:**

Under the California Land Conservation Act of 1965, the board of supervisors or city council may grant tentative approval for a cancellation by petition of a landowner as to all or any part of land subject to a contract, as specified. Prior to any action by the board or council giving tentative approval to the cancellation of any contract, the county assessor is required to determine the current fair market value of the land as though it were free of the contractual restriction, and requires the assessor to send the fair market value to the Department of Conservation, hereafter department, at the same time the assessor sends the value to the landowner. Current law provides for a certificate of tentative cancellation upon tentative approval of a petition by a landowner accompanied by a proposal for a specified alternative use of the land, as provided. Current law requires the board of supervisors or city council to provide notice to the department related to cancellation of the contract as well as in other specified instances. This bill would revise and recast these provisions to no longer require the assessor to provide notice to the department and to require the board of supervisors or city council to provide notice to the department if the certificate of tentative cancellation is withdrawn, as specified.

**CALAFCO Comments:** This bill narrows the role of Department of Conservation (DOC) in administering the Williamson Act. It does not change other provisions in the Act except for lessening reporting requirements by local governments to the DOC. The bill repeals the ability of the DOC to agree on a cancellation value for contracted land with a landowner, along with the requirement that the department provide a preliminary valuation to the applicable assessor, and repeals the requirement that the DOC approve cancellation of a farmland security contract. The bill also repeals and narrows reporting requirements by requiring the DOC to post all local government reports on Williamson Act lands/contracts on its website rather than create a report and submit to the Legislature. The bill also repeals certain reporting requirements by local governments (cities and counties) to the DOC regarding Williamson Act contracts.

CALAFCO will continue to watch this bill to ensure no detrimental changes are made to the Act through future amendments.

**Summary:**

Current law requires the Controller to compile, publish, and make publicly available on the Controller’s website reports of the financial transactions and information on annual compensation of each county, city, and special district within this state. This bill would specify that the reports shall be furnished at the time prescribed by the Controller and would revise the amount of time in which the report is required to be furnished to either 7 months or within the time prescribed by the Controller, whichever is later.

**RE: SUPPORT of AB 1581: Local Government Committee Omnibus Bill**

Dear Chair Aguiar-Curry:

The Contra Costa Local Agency Formation Commission (LAFCo) is pleased to support the Assembly Local Government Committee bill AB 1581, sponsored by the California Association of Local Agency Formation Commissions (CALAFCO). AB 1581 makes technical, non-substantive changes to the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (the Act).

This annual omnibus bill includes technical changes to the Act which governs the work of LAFCos. These changes are necessary as LAFCos implement the Act and small inconsistencies are found or clarifications are needed to make the law as unambiguous as possible. AB 1581 currently makes minor technical corrections to language used in the Act.

Contra Costa LAFCo is grateful to your Committee, staff and CALAFCO, all of whom worked diligently on this language to ensure there are no substantive changes while creating a significant increase in the clarity of the Act for all stakeholders.

This legislation helps insure the Cortese-Knox-Hertzberg Act remains a vital and practical law that is consistently applied around the state. We appreciate your Committee's authorship and support of this bill, and your support of the mission of LAFCos.

Sincerely,

Igor Skaredoff, Chair  
 Contra Costa LAFCo

**Subject: SUPPORT of AB 903**

Dear Chair Aguiar-Curry:

The Contra Costa Local Agency Formation Commission (LAFCo) respectfully requests your support of Assembly Bill 903 which would dissolve the Los Medanos Community Healthcare District ("LMCHD") and require Contra Costa County ("the County") to be the successor agency.

In November 2017, the County filed an application with LAFCo to dissolve LMCHD. Following an extensive review of the County's application, LAFCo's 2018 Municipal Services Review – Healthcare Services, and the District's history, in September 2018, LAFCo approved dissolution of LMCHD. LAFCo's approval included conditions concerning allocation of assets and property tax to the County to support needed healthcare programs and services to serve the LMCHD community, which is largely disadvantaged. Other LAFCo conditions included creation of a health advisory committee to make recommendations on grant funding and priorities to address major health disparities in the community.

Contra Costa LAFCo supports AB 903 as it will result in reduced administrative costs, enhanced community accountability, and increased funding for much needed community health programs. *For these reasons, we respectfully request your support of AB 903.*

We are happy to any answer questions regarding our position and provide additional information.

Sincerely,

Igor Skaredoff, Chair  
 Contra Costa LAFCo
