**Agenda Item 10**

**Current and Potential Future LAFCO Applications**

Dear Members of the Commission:

**SUMMARY**

The Commission will receive a report identifying active applications on file with Contra Costa LAFCO. This report also identifies several potential future applications. This report is presented for information only.

**DISCUSSION**

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 (“CKH”) delegates LAFCOs with regulatory and planning duties to coordinate the formation and development of local government agencies and their municipal services. This includes approving or disapproving boundary changes, boundary reorganizations, formations, mergers, consolidations, dissolutions, incorporations, sphere of influence (SOI) amendments, and the extension of out of agency services. Applications involving jurisdictional changes filed by landowners or registered voters are placed on the Commission’s agenda as information items before action is considered by LAFCO at a subsequent meeting (Gov. Code §56857).

There are currently two approved proposals awaiting completion, three current applications that are incomplete, and 10 potential future applications.

**Current Proposals – Approved and Awaiting Completion**

**Dissolution of Los Medanos Community Healthcare District (LAFCO 17-13)**

The Commission approved the dissolution in September 2018. The dissolution is currently being litigated at the Court of Appeal.

✚ Chang Property Reorganization (LAFCO 18-06)

This is an application filed by the landowner to annex 66.92± acres to the City of San Ramon, Central Contra Costa Sanitary District (CCCSD) and East Bay Municipal Utility District (EBMUD) and detach the same area from County Service Area (CSA) P-6. The subject area is located at the intersection of Crow Canyon and Bollinger Canyon Roads in unincorporated San Ramon. The Commission approved the boundary reorganization in August 2017 with conditions. One of the conditions has not yet been met. The applicant has requested and received several extensions of time with the current extension to July 9, 2022.

**Current Applications – Under Review**

✚ LAFCO Tassajara Parks Project – Boundary Reorganization (LAFCO 16-06)

This is an application filed by the landowner to annex 30± acres to Central Contra Costa Sanitary District (CCCSD) and East Bay Municipal Utility District (EBMUD). The project includes development of 125 single-family homes. The subject area is located east of the City of San Ramon and the Town of Danville. The application is currently incomplete; await updated application.

✚ LAFCO Tassajara Parks Project – Sphere of Influence (SOI) Amendments (LAFCO 16-07)

This is an application filed by the landowner to amend the SOIs for CCCSD and EBMUD by 30± acres in anticipation of corresponding annexations. The application is currently incomplete; await updated application.

✚ Faria Southwest Hills – Boundary Reorganization (LAFCO 21-04)

This is an application filed by the City of Pittsburg to annex 606± to the City of Pittsburg, CCWD and Delta Diablo. The project includes development of up to 1,500 residential units. The application is currently incomplete.

**Potential Future Applications**

On April 14, 2021, LAFCO approved the extension of out of agency water service by the City of Martinez to the Bay's Edge Subdivision 9065 located in unincorporated Martinez (Mt. View). LAFCO's approval was conditioned on commitment from the City to submit to LAFCO an application to annex the subject parcels to the City of Martinez by August 31, 2022, in the event the entirety of Mt. View is not annexed to the City prior to that date.

On June 9, 2021, LAFCO approved the extension of out of agency wastewater service by the City of Concord to the Akins property located in unincorporated Concord (Ayers Ranch). LAFCO's approval was conditioned on a commitment from the landowners to submit to LAFCO an application to annex the subject parcel to the City of Concord by May 31, 2022.

There are currently eight potential applications that may be submitted to Contra Costa LAFCO in the future. The potential applications include a boundary reorganization (i.e., annexation(s) to Contra Costa County Fire Protection District and corresponding district(s) dissolution); and potential annexations to Byron Bethany Irrigation District, City of Brentwood, City of Concord, East Bay Municipal Utility District, Mt. View Sanitary District, Stege Sanitary District, and West County Wastewater District.

**RECOMMENDATION** – Informational item – no actions required.

Sincerely,

LOU ANN TEXEIRA  
EXECUTIVE OFFICER
