Agenda Item 12**

Proposed Update to Contra Costa LAFCO's Legislative Platform

Dear Members of the Commission:

Contra Costa LAFCO is a member of the California Association of Local Agency Formation Commissions (CALAFCO) which provides its member LAFCOs with educational, technical, and legislative resources.

The CALAFCO Board adopted Legislative Policies that are comprehensive and cover a range of issues including *LAFCO Purpose and Authority*, *LAFCO Organization*, *Agricultural and Open Space Protection*, *Orderly Growth*, *Service Delivery*, *Local Agency Effectiveness* and *Legislative Priorities*. CALAFCO's Legislative Policies support legislation that enhances LAFCO's authority to carry out the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 based on local conditions.

CALAFCO's Legislative Policies serve as a guide for its Legislative Committee, comprised of CALAFCO Board members and LAFCO staff from around the State. Commissioner McGill currently serves as a member of the CALAFCO Legislative Committee, which acts on behalf of the CALAFCO Board in developing and taking positions on legislation based on the Board's legislative policies and priorities.

The CALAFCO Legislative Committee conducts an annual review of the CALAFCO Legislative Policies and makes recommendations to the Board regarding policy modifications. Subsequently, the CALAFCO Board reviews and amends its legislative policies accordingly.

At their November 12, 2021 meeting, the CALAFCO Board approved edits to its Legislative Policies along with a new policy relating to "climate adaptation" which recognizes sea level rise, sand erosion, and levee protection (attached).

Contra Costa LAFCO adopted CALAFCO Legislative Policies as its own legislative platform. In conjunction with the recent updates to the CALAFCO Legislative Policies, it is timely that Contra Costa LAFCO adopt the updated legislative platform.

RECOMMENDATION: The Contra Costa LAFCO Policies & Procedures Committee recommends adoption of the updated CALAFCO Legislative Policies as the Commission's legislative platform.

Respectfully submitted,
Don Blubaugh and Chuck Lewis

2021 Legislative Priorities

Primary Issues

Authority of LAFCo

Support legislation that maintains or enhances LAFCo's authority to condition proposals in order to address any or all financial, growth, service delivery, and agricultural and open space preservation issues. Support legislation that maintains or enhances LAFCo's ability to make decisions regarding boundaries and formations, as well as and to enact recommendations related to the delivery of services and the agencies providing them, including changes of organization and reorganizations.

Agriculture and Open Space Protection

Support policies, programs and legislation that recognize LAFCo's mission to protect and mitigate the loss of all types of agricultural lands, including prime agricultural lands and open space lands and that encourage other agencies to coordinate with local LAFCos on land preservation and orderly growth. Support efforts that encourage the creation of habitat conservation plans.

Water Availability

Support policies, programs and legislation that promote an integrated approach to water availability and management. Promote adequate water supplies and infrastructure planning for current and planned growth and disadvantaged communities, and that as well as to support the sustainability of all types of agricultural lands, including prime agricultural lands and open space lands. Support policies that assist LAFCo in obtaining accurate and reliable water supply information in order to evaluate current and cumulative water demands for service expansions and boundary changes. Such policies should include including the impacts of expanding water company service areas on orderly growth, and the impacts of consolidation or dissolution of water companies providing services.

Viability of Local Services

Support policies, programs and legislation that maintains or enhances LAFCo's ability to review and act to determine the efficient and sustainable delivery of local services and the financial viability of agencies providing those services to meet current and future needs including those identified in regional planning efforts such as sustainable communities strategies. Support legislation which that provides LAFCo and local communities with options for local governance and service delivery to that ensures efficient, effective, and quality service delivery. Support efforts which that provide tools to local agencies to address aging infrastructure, fiscal challenges, the maintenance declining levels of services, and inadequate services to disadvantaged communities.

Issues of Interest

Housing

Provision of territory and services to support housing plans consistent with State affordable housing mandates, regional land use plans and local LAFCo policies.

Transportation

Effects of Regional Transportation Plans and expansion of transportation systems on future urban growth and service delivery needs, and the ability of local agencies to provide those services.

Flood Control

The ability and effectiveness of local agencies to maintain and improve levees and protect current infrastructure. Carefully consider the value of uninhabited territory, and the impact to public safety of proposed annexation to urban areas of uninhabited territory ~~which is~~ at risk ~~of~~ flooding. Support legislation that includes assessment of agency viability in decisions involving new funds for levee repair and maintenance. Support efforts that encourage the creation of habitat conservation plans.

Adequate Municipal Services in Inhabited Territory

Consistency of Expedited ~~expedited~~ processes for inhabited annexations ~~should be consistent~~ with LAFCo law ~~and be that include~~ fiscally viability. ~~To promote~~ Promote environmental justice for underserved inhabited communities, funding sources should be identified for extension of municipal services, including options for annexation of contiguous disadvantaged unincorporated communities. Support policies, programs, and legislation ~~which that~~ would provide adequate municipal services to disadvantaged communities. Promote the delivery of adequate, sustainable, efficient, and effective levels of municipal services through periodic updates and reviews of Municipal Service ~~reviews~~ Reviews, Spheres of Influence, and ~~other related~~ studies prepared by LAFCos.

Climate Adaptation

The ability and effectiveness of local agencies to proactively and effectively address issues that impact municipal service infrastructure and service delivery that include sea level rise, sand erosion, and levee protection. Adequate resources for local agencies to prepare for and appropriately respond to extreme disasters related to climate change. Ensure local agencies are considering climate resiliency when considering future development.
