Summary:

Current law creates the Limited Examination and Appointment Program (LEAP), which the Department of Human Resources administers, to provide an alternative to the traditional civil service examination and appointment process to facilitate the hiring of persons with disabilities. Current law requires the Department of Human Resources, when an appointing power seeks to fill a vacant position by using an employment list, to provide the appointing power with a certified list of the names and addresses of all eligible candidates, as specified. Current law requires the department to provide a single certified list of eligible candidates if more than one employment list or LEAP referral list exists, and the department is required to combine the names and addresses of all eligible candidates. This bill, as an alternative to receiving a combined list of eligible candidates, would require the department, upon request of an appointing power, to provide a list of eligibles that includes only the names and addresses of candidates, if any, on a LEAP referral list and the names and addresses of candidates, if any, on any applicable reemployment or State Restriction of Appointment list. The bill would authorize the appointing power to notify individuals listed of the opportunity to apply for a vacant position, to screen applications for candidates' eligibility, and to hire from among those eligible applicants whose names appear on the list. The bill would authorize the board to adopt or amend regulations, if necessary, to ensure these procedures are implemented in a manner consistent with merit principles and the California Constitution.

[AB 1195 Fact Sheet](#)

CALAFCO Comments: As amended on 4-6-21, the bill was gut and amended and now creates the So LA County Human Rights to Water Collaboration Act. It requires the Water Board to appoint a commissioner to implement the Safe & Affordable Funding for Equity & Resilience Program and gives the commissioner certain authorities (although they are not clearly spelled out). It requires the commissioner by 12-31-24 to submit to the Water Board a plan for the long-term sustainability of public water systems in southern LA County and prescribes what shall be included in the plan. The bill also creates a technical advisory board and requires the commissioner to oversee the Central Basin Municipal Water District.

In its current form the bill creates numerous concerns. CALAFCO's letter of concern is posted in the tracking section of the bill, and includes: (1) Focus of the bill is very broad as is the focus of the commissioner; (2) In an attempt to prevent privatization of water systems there is language regarding severing water rights. That language could be problematic should a consolidation be ordered; (3) Diminishing local control that is being invested in the state (an ongoing concern since SB 88); (4) A clear distinction needs to be made between an Administrator and Commissioner; (5) The poorly written section on the technical advisory board; and (6) The lack of LAFCo involvement in any consolidation process.

As amended on 5-24-21, the bill changes the water rights provision now requiring approval by the water Board; uses the definitions of "at risk system" and "at risk domestic well" found in SB 403 (Gonzalez) as well as the 3,300 connect cap; requires the commissioner appointed by the board to be from the local area; requires the commissioner to do certain things prior to completing the regional plan; and requires the commissioner to apply to LA LAFCo for extension of service, consolidation or dissolution as appropriate. The bill also creates a pilot program for LA LAFCo giving

them the authority to take action rather than the water board, providing it is within 120 days of receipt of a completed application. If the LAFCo fails to take action within that time, the matter goes to the water board for their action.

The pilot program also gives LA LAFCo the authority to approve, approve with conditions or deny the application; further giving LAFCo authority to consider consolidation or extension of service with a local publicly owned utility that provides retail water, a private water company or mutual; the bill also waives protest proceedings, gives the LAFCo authority to address governance structure and CEQA is waived, provides full LAFCo indemnification and funding.

There are still issues with the proposed technical advisory board section of the bill, and questions about timing of some of the processes. CALAFCO continues to work with the author and speakers' offices as well as other stakeholders on ongoing amendments.

The bill is author-sponsored and we understand there is currently no funding source. A fact sheet is posted in the tracking section of the bill. CALAFCO's letter of concern is also posted there.

THIS IS NOW A 2-YEAR BILL.

UPDATE AS OF 2/10/22 - According to the author's office, the author is not intending to move the bill forward at this time. CALAFCO will continue to WATCH and monitor the bill. As a result, the bill was downgraded from a P-1 to a P-3.

GUTTED AND AMENDED on 5/18/2022 to remove previous verbiage regarding water. The bill now addresses the State Department of Human Resources and the Limited Eligibility and Appointment Program (LEAP), which the Department of Human Resources administers, to provide an alternative to the traditional civil service examination and appointment process to facilitate the hiring of persons with disabilities. Downgraded to Watch, from Watch with Concerns. Changed priority to "None."

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, provides the authority and procedure for the initiation, conduct, and completion of changes of organization, reorganization, and sphere of influence changes for cities and districts, as specified. Current law requires an applicant seeking a change of organization or reorganization to submit a plan for providing services within the affected territory. Current law requires a petitioner or legislative body desiring to initiate proceedings to submit an application to the executive officer of the local agency formation commission, and requires the local agency formation commission, with regard to an application that includes an incorporation, to immediately notify all affected local agencies and any applicable state agency, as specified. This bill would define the term "successor agency," for these purposes to mean the local agency a commission designates to wind up the affairs of a dissolved district.

CALAFCO Comments: This is the annual Omnibus bill sponsored by CALAFCO. As introduced it makes 3 minor, technical non-substantive changes in CKH: (1) Replaces "to be completed and in existence" with "take effect" under GCS 56102; (2) Adds GCS 56078.5: "Successor Agency" means

the local agency the Commission designates to wind up the affairs of a dissolved district; and (3) Replaces "proposals" with "applications" within GCS 56653(a), 56654(a), (b), and (c), and 56658(b)(1) and (b)(2).

CALAFCO support letter and LAFCo support letter template are in the attachments section.

April 18, 2022 bill amended with additional changes requested by CALAFCO. Amendments include grammatical changes, the correction of a PUC citation in GC Sec 56133(e)(5) from 9604 to 224.3, the extension of the sunset date within R&T Section 99(b)(8)(B) to January 1, 2028, and it rennumbers remaining provisions as needed due to the above changes.

SB 739 (Cortese D) Private golf courses: conversion to housing.

Summary:

Would authorize a development proponent to submit an application to convert land that was previously used as a golf course to market-rate and affordable housing and would provide that the application is subject to a streamlined, ministerial approval process, and not subject to a conditional use permit, if the development satisfies specified objective planning standards. In this regard, the bill would require a development subject to the provisions to be located on a site that was used as a golf course, but has been closed for at least 5 years before the effective date of these provisions and would require that the development include at least 600 housing units. The bill would require the development to dedicate at least 30% of the new housing units to lower income households and persons and families of moderate income, as specified. By requiring local governments to approve development applications submitted under these provisions, the bill would impose a state-mandated local program.

CALAFCO Comments: SB 739 was gutted and amended on June 13th and now seeks to add provisions to the Government Code to allow for a rapid, and ministerial, conversion of golf courses that have been closed for at least 5 years to housing developments of at least 600 units. As proposed, the bill is to be in effect until January 1, 2030, authorizes a development proponent to submit an application and receive streamlined, ministerial approvals of both county CUPs and the LAFCo process to speed development. Additionally, while not expressly called out in the bill, it contains provisions that address contracting requirements which discuss high rise developments; the implication being that high rise developments of at least 600 housing units would have to be ministerially approved on all levels. CALAFCO is currently in discussions with the author's office.

SB 938 (Hertzberg D) The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000: protest proceedings: procedural consolidation.

Summary:

The Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000, provides the exclusive authority and procedure for the initiation, conduct, and completion of changes of organization and reorganization for cities and districts, except as specified. Under existing law, in each county there

is a local agency formation commission (commission) that oversees these changes of organization and reorganization. Current law authorizes a commission to dissolve an inactive district if specified conditions are satisfied. This bill would also authorize a commission to initiate a proposal for the dissolution of a district, as described, if the commission approves, adopts, or accepts a specified study that includes a finding, based on a preponderance of the evidence, that, among other things, the district has one or more documented chronic service provision deficiencies, the district spent public funds in an unlawful or reckless manner, or the district has shown willful neglect by failing to consistently adhere to the California Public Records Act. The bill would require the commission to adopt a resolution of intent to initiate a dissolution based on these provisions and to provide a remediation period of at least 12 months, during which the district may take steps to remedy the stated deficiencies.

CALAFCO Comments: CALAFCO is the sponsor of this bill. SB 839 represents a collaborative three-year effort (by an 18-member working group) to clean up, consolidate, and clarify existing statutory provisions associated with consolidations and dissolutions, as well as codify the conditions under which a LAFCo may initiate dissolution of a district at the 25 percent protest threshold. In response to a recommendation made in the 2017 Little Hoover Commission report (Special Districts: Improving Oversight and Transparency), CALAFCO initiated a working group of stakeholders in early 2019 to discuss the protest process for dissolutions of special districts.

The bill's current format (dated 2/8/22) represents the restructuring of existing protest provisions scattered throughout CKH. There have been some minor technical language added for clarifications. These changes are all minor in nature (by legislative standards).

The bill will be amended to reflect the newly designed process that codifies the ability for LAFCo to initiate a district dissolution at 25% protest threshold. The conditions under which this can occur include one or more of the following, any/all of which must be documented via determinations in a Municipal Service Review (MSR):

1. The agency has one or more documented chronic service provision deficiencies that substantially deviate from industry or trade association standards or other government regulations and its board or management is not actively engaged in efforts to remediate the documented service deficiencies;
2. The agency spent public funds in an unlawful or reckless manner inconsistent with the principal act or other statute governing the agency and has not taken any action to prevent similar future spending;
3. The agency has consistently shown willful neglect by failing to consistently adhere to the California Public Records Act and other public disclosure laws the agency is subject to;
4. The agency has failed to meet the minimum number of times required in its governing act in the prior calendar year and has taken no action to remediate the failures to meet to ensure future meetings are conducted on a timely basis;
5. The agency has consistently failed to perform timely audits in the prior three years, or failed to meet minimum financial requirements under Government Code section 26909 over the prior five years as an alternative to performing an audit, or the agency's recent annual audits show chronic issues with the agency's fiscal controls and the agency has taken no action to remediate the issues.

The proposed process is:

1. LAFCo to present the MSR in a 21-day noticed public hearing. At that time the LAFCo may choose to adopt a resolution of intent to dissolve the district. The resolution shall contain a minimum 12-month remediation period.
2. The district will have a minimum of 12 months to remediate the deficiencies.
3. Half-way through the remediation period, the district shall provide LAFCo a written report on the progress of their remediation efforts. The report is to be placed on a LAFCo meeting agenda and presented at that LAFCo meeting.

4. At the conclusion of the remediation period, LAFCo conducts another 21-day noticed public hearing to determine if district has remedied deficiencies. If the district has resolved issues, commission rescinds the resolution of intent to dissolve the district and the matter is dropped. If not, commission adopts a resolution making determinations to dissolve the district.
5. Standard 30-day reconsideration period.
6. Protest proceedings at 25% threshold can be noticed with a required 60-day protest period.
7. Protest hearing is held and amount of qualified protests determined based on 25% threshold. LAFCo either orders dissolution, election, or termination.

As this bill - when amended - adds requirements for LAFCos and districts, it will likely be keyed fiscal (for now it is not). An author fact sheet and CALAFCO fact sheet are posted in our attachments section as well as the CALAFCO Support letter and LAFCo support letter template.

Summary:

Current law establishes the Integrated Climate Adaptation and Resiliency Program to be administered by the Office of Planning and Research to coordinate regional and local efforts with state climate adaptation strategies to adapt to the impacts of climate change, as prescribed. This bill would authorize eligible entities, as defined, to establish and participate in a regional climate network, as defined. The bill would require the office, through the program, to encourage the inclusion of eligible entities with land use planning and hazard mitigation planning authority into regional climate networks. The bill would authorize a regional climate network to engage in activities to address climate change, as specified.

Subject: Climate Change

CALAFCO Comments: This bill is a follow up and very similar to AB 897 (2021). The bill would authorize eligible entities, as defined (including LAFCo), to establish and participate in a regional climate network, as defined. The bill would authorize a regional climate network to engage in activities to address climate change, as specified. Further, it requires a regional climate network to develop a regional climate adaptation and resilience action plan and to submit the plan to OPR for review, comments, and certification. The bill would require OPR to: (1) encourage the inclusion of eligible entities with land use planning and hazard mitigation planning authority into regional climate networks; (2) develop and publish guidelines on how eligible entities may establish regional climate networks and how governing boards may be established within regional climate networks by 7-1-23; and (3) provide technical assistance to regions seeking to establish a regional climate network, facilitate coordination between regions, and encourage regions to incorporate as many eligible entities into one network as feasible.

The difference between this bill and AB 897 is this bill removes requirements for OPR to develop guidelines and establish standards and required content for a regional climate adaptation and resilience action plan (to be produced by the network), and removes some specified technical support requirements by OPR. Those requirements were covered in SB 170, a budget trailer bill from 2021.

The bill is author-sponsored and keyed fiscal. An author fact sheet is included in our attachments area, as well as the CALAFCO Support letter.

Amended 3/23/2022 to provide that regional climate networks MAY be developed rather than the former requirement. Minor clean ups of other superfluous language.

Amended 5/19/2022 to remove the deadline for OPR to develop and publish guidelines for eligible entities to establish regional climate networks, removed an exemption to cover multiple counties when population was greater than 2 million people, removed requirements for membership and biennial reports to OPR.

Summary:

The Williamson Act, also known as the California Land Conservation Act of 1965, authorizes a city or county to enter into contracts with owners of land devoted to agricultural use, whereby the owners agree to continue using the property for that purpose, and the city or county agrees to value the land accordingly for purposes of property taxation. Current law sets forth procedures for reimbursing cities and counties for property tax revenues not received as a result of these contracts and continuously appropriates General Fund moneys for that purpose. This bill, for the 2022-23 fiscal year, would appropriate an additional \$40,000,000 from the General Fund to the Controller to make subvention payments to counties, as provided, in proportion to the losses incurred by those counties by reason of the reduction of assessed property taxes.

Subject: Ag Preservation - Williamson

CALAFCO Comments: AB 1773 resurrects funding the Williamson Act for the 2022-2023 budget year. The Williamson Act was created to preserve open space and conserve agricultural land. For many years, the state funded the Act at around \$35-\$40 million per year. This funding ceased during the recession, and has not been reinstated since. AB 1773 would allocate \$40 million from the General Fund to the Williamson Act for the purpose of subvention payments.

Summary:

The Ralph M. Brown Act requires, with specified exceptions, that all meetings of a legislative body of a local agency, as those terms are defined, be open and public and that all persons be permitted to attend and participate. The act contains specified provisions regarding the timelines for posting an agenda and providing for the ability of the public to observe and provide comment. The act allows for meetings to occur via teleconferencing subject to certain requirements, particularly that the legislative body notice each teleconference location of each member that will be participating in the public meeting, that each teleconference location be accessible to the public, that members of the public be allowed to address the legislative body at each teleconference location, that the legislative body post an agenda at each teleconference location, and that at least a quorum of the legislative body participate from locations within the boundaries of the local agency's jurisdiction. The act provides an exemption to the jurisdictional requirement for health authorities, as defined. This bill would require the agenda to identify any member of the legislative body that will participate in the meeting remotely.

Summary:

Current law permits a municipal water districts to acquire, control, distribute, store, spread, sink, treat, purify, recycle, recapture, and salvage any water for the beneficial use of the district, its inhabitants, or the owners of rights to water in the district. Current law, upon the request of certain Indian tribes and the satisfaction of certain conditions, requires a district to provide service of water at substantially the same terms applicable to the customers of the district to the Indian tribe's lands that are not within a district, as prescribed. Current law also authorizes a district, until January 1, 2023, under specified circumstances, to apply to the applicable local agency formation commission to provide this service of water to Indian lands, as defined, that are not within the district and requires the local agency formation commission to approve such an application. This bill, among other things, would extend the above provisions regarding the application to the applicable local agency formation commission to January 1, 2027.

CALAFCO Comments: This bill extends the sunset date created in AB 1361 (2017). Current law, upon the request of certain Indian tribes and the satisfaction of certain conditions, requires a district to provide service of water at substantially the same terms applicable to the customers of the district to the Indian tribe's lands that are not within a district, as prescribed. Current law also authorizes a district, under specified circumstances, to apply to the applicable LAFCo to provide this service of water to Indian lands, as defined, that are not within the district and requires the LAFCo to approve such an application. This bill extends the sunset date from January 1, 2023 to January 1, 2025.

CALAFCO opposed AB 1361 in 2017 as the process requires LAFCo to approve the extension of service, requires the district to extend the service, and does not require annexation upon extension of service. CALAFCO reached out to the author's office requesting information as to the reason for the extension and we have not been given a reason.

The bill is keyed fiscal. An author fact sheet is included in the attachments area, as well as the CALAFCO letter in opposition.

Summary:

Current law, the Ralph M. Brown Act, requires, with specified exceptions, that all meetings of a legislative body of a local agency, as those terms are defined, be open and public and that all persons be permitted to attend and participate. The act generally requires posting an agenda at least 72 hours before a regular meeting that contains a brief general description of each item of business to be transacted or discussed at the meeting, and prohibits any action or discussion from being undertaken on any item not appearing on the posted agenda. This bill would revise and recast those teleconferencing provisions and, until January 1, 2026, would authorize a local agency to use teleconferencing without complying with the teleconferencing requirements that each teleconference location be identified in the notice and agenda and that each teleconference location be accessible to the public if at least a quorum of the members of the legislative body participates in person from a singular physical location clearly identified on the agenda that is open to the public and situated within the local agency's jurisdiction.

Subject: Brown Act

CALAFCO Comments: This bill authorizes the use of teleconferencing without noticing and making available to the public teleconferencing locations if a quorum of the members of the legislative body participate in person from a singular location that is noticed and open to the public and require the legislative body to offer public comment via video or phone.

Summary:

Current law, the California Public Records Act, requires state agencies and local agencies to make public records available for inspection, subject to specified criteria, and with specified exceptions. Current law, the Ralph M. Brown Act, requires the meetings of the legislative body of a local agency to be conducted openly and publicly, with specified exceptions. Current law makes agendas of public meetings and other writings distributed to the members of the governing board disclosable public records, with certain exceptions. This bill would instead require a local agency to make those writings distributed to the members of the governing board available for public inspection at a public office or location that the agency designates and list the address of the office or location on the agenda for all meetings of the legislative body of the agency unless the local agency meets certain requirements, including the local agency immediately posts the writings on the local agency's internet website in a position and manner that makes it clear that the writing relates to an agenda item for an upcoming meeting.

Position: Watch

Subject: Brown Act

CALAFCO Comments: This bill seeks to amend the law to make clear that writings that have been distributed to a majority of a local legislative body less than 72 hours before a meeting can be posted online in order to satisfy the law.

Amended on April 19, 2022, to add a provision that agendas will note the physical location from which hard copies of such post-agenda documents can be retrieved.

The bill is sponsored by the League of Cities and is not keyed fiscal.

Summary:

Current law authorizes the legislative body of a city or a county to establish an enhanced infrastructure financing district to finance public capital facilities or other specified projects of communitywide significance, including projects that enable communities to adapt to the impacts of climate change. Current law also requires the legislative body to establish a public financing authority, defined as the governing board of the enhanced infrastructure financing district, prior to the adoption of a resolution to form an enhanced infrastructure district and adopt an infrastructure financing plan. This bill would authorize a city, county, city and county, special district, or a combination of any of those entities to form a climate resilience district, as defined, for the purposes of raising and allocating funding for eligible projects and the operating expenses of eligible projects. The bill would deem each district to be an enhanced infrastructure financing district and would require each district to comply with existing law concerning enhanced infrastructure financing districts, except as specified. The bill would require a district to finance only specified projects that meet the definition of an eligible project. The bill would define "eligible project" to mean projects that address sea level rise, extreme heat, extreme cold, the risk of wildfire, drought, and the risk of flooding, as specified.

Subject: Special District Principle Acts

CALAFCO Comments: This bill creates the Climate Resilience Districts Act. The bill completely bypasses LAFCo in the formation and oversight of these new districts because the districts are primarily being created as a funding mechanism for local climate resilience projects (as a TIF or tax increment finance district - for which LAFCos also have no involvement).

The bill authorizes a city, county, city and county, special district, or a combination of any of those entities to form a climate resilience district for the purposes of raising and allocating funding for eligible projects and the operating expenses of eligible projects. The bill defines "eligible project" to mean projects that address sea level rise, extreme heat, extreme cold, the risk of wildfire, drought, and the risk of flooding, as specified. The bill authorizes a district created pursuant to these provisions to have boundaries that are identical to the boundaries of the participating entities or within the boundaries of the participating entities. The bill also authorizes specified local entities to adopt a resolution to provide property tax increment revenues to the district. The bill would also authorize specified local entities to adopt a resolution allocating other tax revenues to the district, subject to certain requirements. The bill would provide for the financing of the activities of the district by, among other things, levying a benefit assessment, special tax, property-related fee, or other service charge or fee consistent with the requirements of the California Constitution. It requires 95% of monies collected to fund eligible projects, and 5% for district administration. The bill would require each district to prepare an annual expenditure plan and an operating budget and capital improvement budget, which must be adopted by the governing body of the district and subject to review and revision at least annually.

Section 62304 details the formation process, Section 62305 addresses the district's governance structure, and 62307 outlines the powers of the district.

This bill is sponsored by the Local Government Commission and is keyed fiscal. A fact sheet is included in our attachments section.

Amended 5/18/2022 to impose requirements on projects undertaken or financed by a district, including requiring a district to obtain an enforceable commitment from the developer that contractors and subcontractors performing the work use a skilled and trained workforce, and would expand the crime of perjury to these certifications.

Summary:

Current law authorizes the members of the legislative body conducting the meeting to order the meeting room cleared and continue in session, as prescribed, if a group or groups have willfully interrupted the orderly conduct of a meeting and order cannot be restored by the removal of individuals who are willfully interrupting the meeting. This bill would authorize the presiding member of the legislative body conducting a meeting or their designee to remove, or cause the removal of, an individual for disrupting the meeting. The bill, except as provided, would require removal to be preceded by a warning to the individual by the presiding member of the legislative body or their designee that the individual's behavior is disrupting the meeting and that the individual's failure to cease their behavior may result in their removal. The bill would authorize the presiding member or their designee to then remove the individual if the individual does not promptly cease their disruptive behavior. The bill would define "disrupting" for this purpose.

CALAFCO Comments: This bill would authorize the removal of an individual from a public meeting who is "willfully interrupting" the meeting after a warning and a request to stop their behavior. Summary:

Current law requires the Office of Planning and Research to, among other things, accept and allocate or expend grants and gifts from any source, public or private, for the purpose of state planning and undertake other planning and coordinating activities, as specified, and encourage the formation and proper functioning of, and provide planning assistance to, city, county, district, and regional planning agencies. This bill would require the office to, upon appropriation by the Legislature, establish the Unincorporated Area Annexation Incentive Program, authorizing the office to issue a grant to a city for the purpose of funding infrastructure projects related to the proposed or completed annexation of a substantially surrounded unincorporated area, as defined, subject to approval by the director after the city submits an application containing specified information. The bill would require the office to match, on a dollar-for-dollar basis, any dollar contribution a city makes toward a project funded by the program, subject to a maximum funding threshold as determined by the director.

Summary:

Current law requires, by July 1, 2017, and every 3 years thereafter, the Natural Resources Agency to update, as prescribed, the state's climate adaptation strategy, known as the Safeguarding California Plan. Current law establishes the Office of Planning and Research in state government in the Governor's office. Current law establishes the Integrated Climate Adaptation and Resiliency Program to be administered by the office to coordinate regional and local efforts with state climate adaptation strategies to adapt to the impacts of climate change, as prescribed. This bill would authorize eligible entities, as defined, to establish and participate in a regional climate network, as defined. The bill would require the office, through the program, to encourage the inclusion of eligible entities with land use planning and hazard mitigation planning authority into regional climate networks. The bill would authorize a regional climate network to engage in activities to address climate change, as specified.

[CALAFCO Support July 2021](#)

[AB 897 Fact Sheet](#)

Position: Support

Subject: Climate Change

CALAFCO Comments: As introduced, the bill builds on existing programs through OPR by promoting regional collaboration in climate adaptation planning and providing guidance for regions to identify and prioritize projects necessary to respond to the climate vulnerabilities of their region.

As amended, the bill requires OPR to develop guidelines (the scope of which are outlined in the bill) for Regional Climate Adaptation Action Plans (RCAAPs) by 1-1-23 through their normal public process. Further the bill requires OPR to make recommendations to the Legislature on potential sources of financial assistance for the creation & implementation of RCAAPs, and ways the state can support the creation and ongoing work of regional climate networks. The bill outlines the authority of a regional climate network, and defines eligible entities. Prior versions of the bill kept the definition as rather generic and with each amended version gets more specific. As a result, CALAFCO has requested the author add LAFcos explicitly to the list of entities eligible to participate in these regional climate networks.

As amended on 4/7, AB 11 (Ward) was joined with this bill - specifically found in 71136 in the Public Resources Code as noted in the amended bill. Other amendments include requiring OPR to, before 7-1-22, establish geographic boundaries for regional climate networks and prescribes requirements in doing so.

This is an author-sponsored bill. The bill necessitates additional resources from the state to carry out the additional work required of OPR (there is no current budget appropriation). A fact sheet is posted in the tracking section of the bill.

As amended 4/19/21: There is no longer a requirement for OPR to include in their guidelines how a regional climate network may develop their plan: it does require ("may" to "shall") a regional climate network to develop a regional climate adaptation plan and submit it to OPR for approval; adds requirements of what OPR shall publish on their website; and makes several other minor technical changes.

As amended 7/1/21, the bill now explicitly names LAFCo as an eligible entity. It also adjusts several timelines for OPR's requirements including establishing boundaries for the regional climate networks, develop guidelines and establish standards for the networks, and to make recommendations to the Legislature related to regional adaptation. Give the addition of LAFCo as an eligible entity, CALAFCO is now in support of the bill.

Amendments of 7/14/21, as requested by the Senate Natural Resources & Water Committee, mostly do the following: (1) Include "resilience" to climate adaptation; (2) Prioritize the most vulnerable communities; (3) Add definitions for "under-resourced" and "vulnerable" communities; (4) Remove the requirement for OPR to establish geographic boundaries for the regional climate networks; (5) Include agencies with hazard mitigation authority and in doing so also include the Office of Emergency Services to work with OPR to establish guidelines and standards required for the climate adaptation and resilience plan; and (6) Add several regional and local planning documents to be used in the creation of guidelines.

2/24/22 UPDATE: It appears this bill is being replaced with AB 1640 (Ward, Mullin, etc.). CALAFCO will keep this bill on Watch and follow the new bill.

Summary:

Would require the dissolution of the Los Medanos Community Healthcare District, as specified. The bill would require the County of Contra Costa to be successor of all rights and responsibilities of the district, and require the county to develop and conduct the Los Medanos Area Health Plan Grant Program focused on comprehensive health-related services in the district's territory. The bill would require the county to complete a property tax transfer process to ensure the transfer of the district's health-related ad valorem property tax revenues to the county for the sole purpose of funding the Los Medanos Area Health Plan Grant Program. By requiring a higher level of service from the County of Contra Costa as specified, the bill would impose a state-mandated local program.

Position: Watch

CALAFCO Comments: This bill mandates the dissolution of the Los Medanos Community Healthcare District with the County as the successor agency, effective 2-1-22. The bill requires the County to perform certain acts prior to the dissolution. The LAFCo is not involved in the dissolution as the bill is written. Currently, the district is suing both the Contra Costa LAFCo and the County of Contra Costa after the LAFCo approved the dissolution of the district upon application by the County and the district failed to get enough signatures in the protest process to go to an election.

The amendment on 4/5/21 was just to correct a typo in the bill.

As amended on 4/19/21, the bill specifies monies received by the county as part of the property tax transfer shall be used specifically to fund the Los Medanos Area Health Plan Grant Program

within the district's territory. It further adds a clause that any new or existing profits shall be used solely for the purpose of the grant program within the district's territory.

The bill did not pass out of Senate Governance & Finance Committee and will not move forward this year. It may be acted on in 2022.

2022 UPDATE: Given Member Frazier is no longer in the Assembly and the appellate court overturned the lower court's decision, it is likely the bill will not move forward. CALAFCO will retain WATCH on the bill.

Summary:

The Political Reform Act of 1974 generally requires elected officials, candidates for elective offices, and committees formed primarily to support or oppose a candidate for public office or a ballot measure, along with other persons and entities, to file periodic campaign statements and certain reports concerning campaign finances and related matters. Current law permits a report or statement that has been on file for at least two years to be retained by a filing officer as a copy on microfilm or other space-saving materials and, after the Secretary of State certifies an online filing and disclosure system, as an electronic copy. This bill would permit a filing officer to retain a report or statement filed in a paper format as a copy on microfilm or other space-saving materials or as an electronic copy, as specified, without a two-year waiting period. The bill would also permit a filing officer to retain a report or statement as an electronic copy before the Secretary of State certifies an online filing and disclosure system.

Position: Watch

Subject: FPPC

CALAFCO Comments: As introduced, this bill makes two notable changes to the current requirements of gift notification and reporting: (1) It increases the period for public officials to reimburse, in full or part, the value of attending an invitation-only event, for purposes of the gift rules, from 30 days from receipt to 30 days following the calendar quarter in which the gift was received; and (2) It reduces the gift notification period for lobbyist employers from 30 days after the end of the calendar quarter in which the gift was provided to 15 days after the calendar quarter. Further it requires the FPPC to have an online filing system and to redact contact information of filers before posting.

The amendment on 4/21/21 just corrects wording (technical, non-substantive change).

The amendments on 5/18/21 clarify who is to file a statement of economic interest to include candidates (prior text was office holders).

UPDATE AS OF 2/24/22 - The author's office indicates they are moving forward with the bill this year and are planning amendments. They are not clear what those amendments will be so CALAFCO will retain a WATCH position on the bill.

Summary:

The California Global Warming Solutions Act of 2006 establishes the State Air Resources Board as the state agency responsible for monitoring and regulating sources emitting greenhouse gases. The act requires the state board to approve a statewide greenhouse gas emissions limit equivalent to the statewide greenhouse gas emissions level in 1990 to be achieved by 2020 and to ensure that statewide greenhouse gas emissions are reduced to at least 40% below the 1990 level no later than December 31, 2030. The act requires the state board to prepare and approve a scoping plan for achieving the maximum technologically feasible and cost-effective reductions in greenhouse gas emissions and to update the scoping plan at least once every 5 years. This bill would require the Natural Resources Agency, in collaboration with specified entities including the state board and the expert advisory committee as specified, to determine on or before January 1, 2024, an ambitious range of targets for natural carbon sequestration, and for nature-based climate solutions, that reduce greenhouse gas emissions for 2030, 2038, and 2045 to support state goals to achieve carbon neutrality and foster climate adaptation and resilience. The bill would require these targets to be integrated into the above-described scoping plan and other state policies. The bill would require the Natural Resources Agency, in consultation with specified agencies including the state board, to review and update the Natural and Working Lands Climate Smart Strategy to achieve these targets.

Summary:

Current law authorizes a groundwater sustainability agency to request of the county, and requires a county to consider, that the county forward permit requests for the construction of new groundwater wells, the enlarging of existing groundwater wells, and the reactivation of abandoned groundwater wells to the agency before permit approval. Current law also authorizes the State Water Resources Control Board to designate a high- or medium-priority basin as a probationary basin under certain conditions for specified purposes. This bill would instead require a county to forward permit requests for the construction of new groundwater wells, the enlarging of existing groundwater wells, and the reactivation of abandoned groundwater wells to the groundwater sustainability agency before permit approval. The bill would prohibit a county, city, or any other water well permitting agency from approving a permit for a new groundwater well or for an alteration to an existing well in a basin subject to the act and classified as medium- or high-priority unless specified conditions are met, including that it obtains a written verification, from the groundwater sustainability agency that manages the basin or area of the basin where the well is proposed to be located, determining that, among other things, the extraction by the proposed well is consistent with any sustainable groundwater management program established in any applicable groundwater sustainability plan adopted by that groundwater sustainability agency or an alternate plan approved or under review by the Department of Water Resources.

Subject: Water

CALAFCO Comments: 2/15/2022: As introduced, a spot holder.

3/17/2022: As amended, this bill now seeks to add a new section into the Water Code that would require, after July 1, 2023, designated extraction facilities to procure permits from the Department of Water Resources (DWR.) Extraction facilities are defined as those located in a basin that has already been designated by DWR as subject to critical overdraft conditions. It would also define times when permits are not needed, including for "de minimis extractors" (as defined by Section 10721), for replacement extractors, when drinking water is needed by a water system for public health purposes, for habitat and wetlands conservation, for photovoltaic or wind energy generation when less than 75 acre feet of groundwater is needed annually, when required by an approved CEQA document, and for facilities constructed to ensure a sustain water supply to consolidated public water systems. This bill would also require groundwater sustainability agencies (GSAs) to develop a process for the issuance of groundwater extraction permits which considers demonstrations of need, adherence to a groundwater sustainability plan, a showing that the extraction will not contribute to an undesirable result, and other procedural requirements. Additionally, the bill would require notification to all groundwater users within one mile of the proposed groundwater extraction facility, and to the DWR when the proposed extraction is within one mile of a disadvantaged community or a domestic well user, and other procedural steps. Also allows those GSAs in a basin not designated as subject to critical conditions of overdraft to adopt an ordinance that establishes their own process, in accordance with this section, for the issuance of groundwater extraction permits, and allows imposition of fees as long as they do not exceed reasonable agency costs. DWR shall provide technical assistance to assist GSA implement this section. This bill would further amend Water Code Section 10728 to require annual reports by GSA to include information regarding the number, location, and volume of water encompassed by permits issued under this section.

Unfunded mandate, now reimbursements provided. Keyed: fiscal.

Amended 4/27/2022 to removes all provisions regarding groundwater extraction facilities, adds in provisions regarding local agencies, which are defined as cities, counties, districts, agencies, or other entities with the authority to issue a permit for a a new groundwater well or for an alteration to an existing well.

Summary:

The California Disaster Assistance Act requires the Director of Emergency Services to authorize the replacement of a damaged or destroyed facility, whenever a local agency and the director determine that the general public and state interest will be better served by replacing a damaged or destroyed facility with a facility that will more adequately serve the present and future public needs than would be accomplished merely by repairing or restoring the damaged or destroyed facility. Current law also authorizes the director to implement mitigation measures when the director determines that the measures are cost effective and substantially reduce the risk of future damage, hardship, loss, or suffering in any area where a state of emergency has been proclaimed by the Governor. This bill would specify that mitigation measures for climate change and disasters related to climate, may include, but are not limited to, measures that reduce emissions of greenhouse gases and investments in natural infrastructure, as defined, including, but not limited to, the preservation of natural and working lands, as described, improved forest management, and wildfire risk reduction measures.

Position: Watch**Subject:** Ag/Open Space Protection

CALAFCO Comments: Seeks to add climate change to California Disaster Assistance Act and adds, as noted cost effective mitigation measures, the preservation of open space, improved forest management and wildfire risk reduction measures, and other investments in natural infrastructure (in line with definition of a "natural infrastructure" in GC Section 65302(g)(4)(C)(v).) Also would amend GC Sec 65302 to require General Plans to include "a set of measures designed to reduce emissions of greenhouse gases resulting in climate change, and natural features and ecosystem processes in or near identified at-risk areas threatened by the impacts attributable."

Summary:

The Planning and Zoning Law requires the legislative body of a city or county to adopt a comprehensive, long-term general plan that includes various elements, including, among others, a housing element and a safety element for the protection of the community from unreasonable risks associated with the effects of various geologic and seismic hazards, flooding, and wildland and urban fires. Current law requires the housing element to be revised according to a specific schedule. Current law requires the planning agency to review and, if necessary, revise the safety element upon each revision of the housing element or local hazard mitigation plan, but not less than once every 8 years to identify new information relating to flood and fire hazards and climate adaptation and resiliency strategies applicable to the city or county that was not available during the previous revision of the safety element. Current law requires that the Office of Planning and Research, among other things, coordinate with appropriate entities, including state, regional, or local agencies, to establish a clearinghouse for climate adaptation information for use by state, regional, and local entities, as provided. This bill would require the safety element, upon the next revision of the housing element or the hazard mitigation plan, on or after July 1, 2024, whichever occurs first, to be reviewed and updated as necessary to include a comprehensive retrofit strategy to reduce the risk of property loss and damage during wildfires, as specified, and would require the planning agency to submit the adopted strategy to the Office of Planning and Research for inclusion into the above-described clearinghouse

SB 418 **(Laird D) Pajaro Valley Health Care District.**

Summary:

Would create the Pajaro Valley Health Care District, as specified, except that the bill would authorize the Pajaro Valley Health Care District to be organized, incorporated, and managed, only if the relevant county board of supervisors chooses to appoint an initial board of directors.

Position: Watch

Subject: Special District Principle Acts

CALAFCO Comments: Gut and amended on 1/14/22, this bill forms the Pajaro Valley Health Care District within Santa Cruz and Monterey counties. The formation, done by special legislation, bypasses the LAFCo process, with language explicitly stating upon formation, LAFCo shall have authority. The bill requires that within 5 years of the date of the first meeting of the Board of Directors of the district, the board of directors shall divide the district into zones. The bill would require the district to notify Santa Cruz LAFCo when the district, or any other entity, acquires the Watsonville Community Hospital. The bill requires the LAFCo to order the dissolution of the district if the hospital has not been acquired by January 1, 2024 through a streamlined process, and requires the district to notify LAFCo if the district sells the Watsonville Community Hospital to another entity or stops providing health care services at the facility, requiring the LAFCo to dissolve the district under those circumstances in a streamlined process.

Given the hospital has filed bankruptcy and this is the only hospital in the area and serves disadvantaged communities and employs a large number of people in the area, the bill has an urgency clause.

Several amendments were added on 1/24/22 by the ALGC and SGFC all contained within Section 32498.7.

CALAFCO worked closely with the author's office, Santa Cruz County lobbyist and the Santa Cruz and Monterey LAFCos on this bill. We have requested further amendments which the Senator has agreed to take in a follow-up bill this year. Those amendments include requiring Santa Cruz LAFCo to adopt a sphere of influence for the district within 1 year of formation; the district filing annual progress reports to Santa Cruz LAFCo for the first 3 years, Santa Cruz LAFCo conducting a special study on the district after 3 years, and representation from both counties on the governing board.

The bill is sponsored by the Pajaro Valley Healthcare District Project and is not keyed fiscal.

Summary:

Current law creates the Pajaro Valley Health Care District, as specified, and authorizes the Pajaro Valley Health Care District to be organized, incorporated, and managed, only if the relevant county

board of supervisors chooses to appoint an initial board of directors. Current law requires, within 5 years of the date of the first meeting of the Board of Directors of the Pajaro Valley Health Care District, the board of directors to divide the district into zones and number the zones consecutively. Existing law requires the Cortese-Knox-Hertzberg Local Government Reorganization Act of 2000 to govern any organizational changes for the district after formation. Existing law requires the district to notify the County of Santa Cruz local agency formation commission (LAFCO) when the district, or any other entity, acquires the Watsonville Community Hospital. Existing law requires the LAFCO to dissolve the district under certain circumstances. This bill would require the LAFCO to develop and determine a sphere of influence for the district within one year of the district's date of formation, and to conduct a municipal service review regarding health care provision in the district by December 31, 2025, and by December 31 every 5 years thereafter.

CALAFCO Comments: This bill is a follow up to SB 418 (Laird) and contains some of the amendments requested by CALAFCO and Monterey and Santa Cruz LAFcos. As introduced the bill requires Santa Cruz LAFCo to adopt a sphere of influence for the district within 1 year of formation; the district filing annual progress reports to Santa Cruz LAFCo for the first 2 years, Santa Cruz LAFCo conducting a Municipal Service Review on the district every 5 years with the first being conducted by 12-31-25. Our final requested amendment, ensuring representation from both counties on the governing board, is still being worked on and not reflected in the introduced version of the bill.

Summary:

Existing law requires cities and counties to prepare, adopt, and amend general plans and elements of those plans, as specified. Existing law requires the general plan to include a housing element and an open-space element, which is also called an open-space plan. Existing law sets forth various deadlines for updates to the housing element. This bill would require every city and county to review and update its local open-space plan by January 1, 2026. The bill would require the local open-space plan update to include plans and an action program that address specified issues, including climate resilience and other cobenefits of open space, correlated with the safety element. By imposing additional duties on local officials, the bill would create a state-mandated local program. This bill contains other related provisions and other existing laws.

Summary:

Current law, including the Professional Land Surveyors' Act, the Mello-Roos Community Facilities Act of 1982, the Subdivision Map Act, provisions relating to official maps of counties and cities, and provisions relating to maps of certain special assessment districts, prescribe requirements for the identification, storage, access, and preservation of maps. This bill would revise requirements for storage, access, and preservation of maps, in connection with the above-described laws, to authorize alternative methods by which maps may be identified, kept safe and reproducible, and to which they may be referred, and would generally eliminate the requirement that they be fastened and stored in books.

NEWSLETTER

August, 2022 Edition

BOARDROOM Brief

AT ITS VIRTUAL meeting on July 22, the Board received the year-end financial reports from our accountant, considered a revised FY 22-23 budget, and resumed their discussion of the Government Code Section 56133 legislative amendment proposal.

The Fourth Quarter financial report found that the association is sound financially. It also disclosed an FY 21-22 net balance that was slightly larger than had been expected in April. Consequently, a revised FY 22-23 budget was also presented to the Board to capture the higher carryover, as well as to remove an erroneously duplicated stipend calculation from the Executive Director's salary line for the upcoming year. Those adjustments, along with another that the Board made to the payroll tax line, resulted in a revised FY 22-23 budget. The differences from the original version approved in April were increased carryover and contingency lines, and reductions to the ED salary and payroll tax lines. The revised budget can be found on the Board meeting portion of the website.

The last action item considered was the reconsideration of the legislative proposal from San Diego LAFCo regarding Government Code §56133. As many will recall, the topic has been a continuing one having been discussed and tabled at the January and April Board meetings. In April, the Board sent the proposal back to the Legislative Committee to complete additional research. Ultimately, the Board approved adding the endeavor to the list of CALAFCO projects, as well as approving a White Paper to guide the effort.

Reports were also received regarding CALAFCO U and the fall conference - including Elections. It was noted that Achievement Awards have an upcoming **deadline of AUGUST 12TH** - so get those nomination packets in ASAP!

The next Board meeting is scheduled for October 21st during the conference.

All agendas, staff reports, and minutes can be found on the CALAFCO website at www.calafco.org. Any questions should be directed to the Executive Director at rlaroche@calafco.org.

SBA 938 Chaptered

Screen shot of Senator Hertzberg presenting SB 938 on the Senate Floor on June 23, 2022

AS MOST of you already know, SB 938 (the Protest Provisions bill) has been successfully concluded. It passed the Senate Floor on June 23rd with a 38-0 vote, and was signed by the Governor on July 1st.

Thank you to the many LAFCOs who rushed to get letters submitted to the Governor after that June 23rd passage.

Given that this is the culmination of an effort that began in 2017, special thanks must again go to the Protest Provisions Working Group members for the YEARS of work on this bill.

The Board of Directors - and all of CALAFCO - extends its sincerest thanks and gratitude to **Jo MacKenzie, José Henriquez, Kai Luoma, Steve Lucas, Paul Novak, Holly Whatley** and, of course, **Pamela Miller** (who stayed on to work the bill in a volunteer capacity.)

Other Legislative Updates

AB 2957, the CALAFCO sponsored Omnibus bill has also been successfully completed. It was passed by the Senate on June 9th, and signed by the Governor on June 21, 2022. Thank you to all of the Legislative Committee members and EOs who submitted proposed changes for the bill. Special thanks to Joe Serrano who had the unenviable task of logging all of those changes!

A Message from the

Executive Director

It's been a busy few months in the office.

We've held two successful and well-received CALAFCO U webinars. Like much of what we do, these could not exist without the volunteerism of our panelists. Thanks to Carolyn Emery (OC), Alison Alpert (BB&K), and Gary Phillips (Bob Murray and Associates) for participating in our June webinar on recruitments and hiring in a post pandemic world. Also, kudos to David Ruderman (Colantuono, Highsmith & Whatley) for organizing our July offering regarding R&T 99, with thanks to panelists José Henriquez (Sacramento), Israel Guevara (OC Auditor-Controller) and Holly Whatley (CHW). I hear time and again how much our members appreciate these offerings!

Our next CALAFCO U is scheduled in September, then they will go on hiatus through the conference and holidays. The target month for our first session in 2023 is February. Thanks to Dawn Mittleman Longoria (Napa) who has been my wing person on these. I could NOT have made it without her!!

Jeni and I are now in full conference mode. Registration opened on July 5th and they have been coming in steadily. If you missed the July 31st Early Bird deadline, the next date to watch is **August 31st** which will be the last day to get the Standard Registration Fee. After that it will be Late Fee only.

Sponsorship packets were sent out and we're seeing some new and returning sponsors already! However, I would ask and encourage you all to send a packet to those in your networks as well.

Our conference planning committee is working hard and the program is taking shape. Many thanks to José Henriquez who is spearheading that effort. Look for more specifics to be announced soon.

Also, a reminder that **ACHIEVEMENT AWARD NOMINATIONS** are due no later than **August 12th at 5:00 PM** so

IN MEMORIAM

JERRY GLADBACH, Los Angeles LAFCo Commissioner

Sad news from Los Angeles LAFCo who lost long-time commissioner, Jerry Gladbach, on July 14th. Commissioner Gladbach was a representative of the Santa Clarita Valley Water Agency and had held a seat on the L.A. LAFCo where he had served as its Chair for 16 years. Commissioner Gladbach also served as a CALAFCO Director from 2005 to 2013, held the position of CALAFCO Board Chair in 2012, received the Most Outstanding Commissioner Award in 2013, as well as the prestigious and well-deserved Lifetime Achievement Award in 2021.

A resident of the Santa Clarita Valley since 1968, Commissioner Gladbach was a do-er who had also served on boards of the National Water Resources Association and the California Water Agencies Joint Powers Insurance Authority. He was renowned for his knowledge, dedication, kindness, and friendliness and will be missed by all.

CALAFCO sends its deepest condolences to Commissioner Gladbach's family, friends, and co-workers.

Contra Costa LAFCo bid farewell to **Commissioner Igor**

Skaredoff (Contra Costa Resource Conservation District) who served as a Special District member since 2014. During Commissioner Skaredoff's tenure, Contra Costa LAFCo competed numerous Municipal Service Reviews covering fire/emergency medical, reclamation, healthcare, parks & recreation, cemetery, and city services; and acted on over 75 proposals including dozens of boundary changes and reorganizations, and four district dissolutions. Also, during Commissioner Skaredoff's tenure, Contra Costa LAFCo Commissioners were named "Most Effective Commission" at the 2019 annual CALAFCO conference.

Another date to note is **September 19th** at 5:00 PM - which is when Director Nominations, Requests for Absentee/Electronic Ballots, and names of voting delegates must be **received**.

And if that wasn't enough, Absentee Ballots are due **October 14th**.

Lastly, a special shout out to Gary Thompson (Riverside) who will be presenting at the CSDA conference in balmy Palm Desert on August 24th. Many thanks, Gary!

Okay, folks, I know that's a lot of dates but you'll also find them all on the Calendar of Events on Page 3.

As usual, please feel free to reach out to me any time that you have any questions or concerns. Enjoy the summer, be safe, and see you at the Conference!!

Continued from Page 1

CALAFCO is currently tracking a total of 29 bills. Included among those are:

AB 897 (Mullin), establishment of a regional climate network. This bill has stalled and is in its second year.

AB 1640 (Ward), would authorize the creation of regional climate networks, as well as set up guidelines. Referred to the Senate Appropriations suspense file.

AB 1773 (Patterson), return of Williamson Act subvention funding. Held under submission in Assembly Appropriations on May 19th.

SB 739 (Cortese), was a gut and amend seeking to create ministerial processes for the annexations of unused golf courses to be used for the development of high rise buildings with 600-700 residences. The author's office notes that it will not be pursuing this bill this year.

SB 852 (Dodd), is similar to AB 1640 in that it addresses the formation of climate resilience districts, however, this bill focuses on enhanced infrastructure financing to fund public capital facilities including projects that address climate change impacts. Scheduled for third reading in the Assembly on August 8th.

SB 1100 (Cortese), which would amend the Brown Act to include provisions and procedures regarding meeting disruptions has passed both houses and is now in Engrossing and Enrolling.

SB 1490, 1491, and 1492, the annual Validation Acts, have now been chaptered.

The legislative season is now nearing a close with August 12th being the last day for fiscal committees to meet and report bills. After that, the remainder of the month will be Floor sessions only, with August 25th being the last day to amend bills on the floor. August 31st is the deadline for each house to pass bills, and the Final Recess will begin upon adjournment on that date.

It is fitting to note at this time that this important work does not happen in a vacuum. The Legislative Committee is composed of 32 members who have committed to give generously of their time and expertise. CALAFCO could not do what it does without them, so our sincerest thanks to the following:

Board Appointees - Bill Connelly, Gay Jones, Mike Kelley, Chris Lopez, Jo MacKenzie, Daron McDaniel, Mike McGill, Margie Mohler, Anita Pague, and Josh Susman.

Staff Voting Members - Clark Alsop, Gary Bell, Mark Bramfitt, Scott Browne, Carolyn Emery, René LaRoche, Steve Lucas, Kai Luoma, Jennifer Stephenson, and Gary Thompson.

Staff Alternates - Rob Fitzroy, Paula Graf, Joe Serrano, and Paula de Sousa.

Advisory - Tara Bravo, Crystal Craig, Brandon Fender, Sara Lytle-Pinhey, Priscilla Mumpower, Erica Sanchez, Jim Simon, and Luis Tapia.
