

**NOTICE OF PUBLIC HEARING
CONTRA COSTA LOCAL AGENCY FORMATION COMMISSION**

NOTICE IS HEREBY GIVEN that the Contra Costa Local Agency Formation Commission (LAFCO) will hold a public hearing on October 14, 2026, at 1:30 pm. The purpose of the hearing is to consider the following:

Alamo Police Services Reorganization: The Commission will consider an application to reorganize county service areas that provide enhanced police protection services in the unincorporated Alamo area. These services are currently delivered through multiple County Service Areas (CSAs), notably CSA P-5 (Round Hill), CSA P-2 (Zone B – Alamo), and various CSA P-6 zones. Contra Costa County has applied to consolidate these service areas. Under the proposal, all remaining parcels within Alamo would be annexed into CSA P-5 (Round Hill). Territory to be annexed into CSA P-5 includes: territory within the existing CSA P-2 (Zone B – Alamo); territory within existing P-6 zones in Alamo; and areas of Alamo not currently within an enhanced police protection CSA. In addition, any Alamo territory that is currently within CSA P-2B (Alamo) would be detached from CSA P-2. Further, territory that is currently within CSA P-2 but not within any CSA P-2 zone, including a specified territory west of Danville and specified parcels in the unincorporated Diablo area, would be detached from CSA P-2. The Commission also will consider making amendments to respective spheres of influence and adopting related findings under the California Environmental Quality Act.

The LAFCO public hearing will be held both virtually and in person. The October 14, 2026, LAFCO meeting agenda includes instructions to join the LAFCO meeting virtually, or you can attend the meeting in person at 1025 Escobar Street, 1st Floor (Board Chambers) in Martinez. During the meeting, the Commission will consider oral or written comments from any interested person.
