Good Afternoon,

I will not be able to attend the meeting on 10/14 so my husband and I would like to give our opinion on the proposed tax increase going from \$67 up to \$470 in the P2B area. We both disagree with this increase. That would be over 600% increase! Not all households can afford this much of an increase. Just because someone lives in Alamo does not make them rich. I hope this is put to a vote so the residents have a say.

Thank-you for listening.
