Dear Lou Ann,

Please forward this note to the right location, and have it present at the meeting regarding raising our taxes for LAFCO 26-03. We do not feel the need to have our taxes raised to support this. We are a family in Alamo that are getting near retirement. All is good here and to raise our taxes any more may just be the straw to break the camels back on the amount of taxes we pay. There are many families like us who have been here for years who are at their limit with taxes, and I would hate to see that we or other families cannot afford to live here anymore. Please say NO to LAFCO 26-03.

Best regards,
