Dear LAFCO Executive Director,

I am an Alamo resident and president of the Alamo Crest Homeowners Association writing in support of the proposed consolidation of the P-5 and P2B police service areas into a single police district serving all of Alamo. I live in an area of Alamo that is currently not covered by either P-5 or P2B, and I believe it makes sense for our entire community to have a consistent and equitable approach to enhanced police services. Having one district serving all of Alamo, with dedicated officers and the same funding structure for all residents, would provide greater consistency and fairness.

I encourage LAFCO to approve the proposed consolidation.

Thank you for your consideration.

Sincerely,
