Dear Ms. Texeira,

As an Alamo resident, I strongly support the proposal for enhanced police protection in our community, including one unified police district and one police tax for all of Alamo.

Having personally experienced a burglary at our home, I know firsthand how important adequate police coverage is. In fact, Walnut Creek police officers were the first to respond because Alamo officers were tied up at the time. This experience reinforced my belief that Alamo needs additional law enforcement resources.

I believe enhanced police protection is essential to the safety and security of our community, and I fully support moving this proposal forward.

Best regards,
Carolyn Kuemmeler
