Hello Louann. I appreciate your public service and understand sometimes individuals aren't confident enough in the personal benefit that's derived from Community betterment.

I Have served on Alamo Police District P5 for 15 years and I've Consistently advocated For improving Police services Throughout our ALAMO Community as a method of providing better service to RoundHill.

I think we're on a good path to provide the best safety improvements for our community as our families with children negotiate streets without sidewalks and gated school grounds with locked premises on weekends along with proximity to an interstate. Allowing these districts to merge and balancing the expense for their security will only enhance the overall quality of life we get to experience in Alamo.

The new resources will provide a much better environment for our community as a whole.

Thank you for representing our interests sincerely, Mark Young
