Hi LouAnn! I was just reading over the LAFCO document the AIA sent out and had a question. Who pays for the 2 deputies in Roundhill (the \$470)? Does Roundhill as an HOA pay that, or are we paying it as residents of the county of CC and town of Alamo?

If you care to have some feedback on Sheriff's services... although I find our Sheriffs to be very kind overall, in my particular neighborhood they have not been helpful over the years. We have asked, and asked, and asked, and PLEADED for help in managing the situation at the end of our street ([REDACTED]) where parents pick up their kids instead of waiting in line to get into [REDACTED] in the afternoons - to no avail. We've requested that they help dissuade parents from parking there as it is not only highly disruptive to us as neighbors, but EXCEPTIONALLY dangerous for their children. If you are not familiar with this issue, I can provide you more info. but we have tried working with the school, Candace Anderson's office (who did succeed in getting no parking signs put up) but no success in getting our Sheriff's dept to enforce the rules down there. So frankly, increasing fees and number of Sheriffs has little benefit to us unless we can get their support in this issue. I understand there are other needs as well that they can support so I'm not saying I'd vote against the increased support, but I'm wondering how we can get that added support in our neighborhood specifically, considering they will be better staffed if approved.

Kindly,
Jen Herrera - [REDACTED]
