I am writing this email in regards to the public hearing to be held on October 14. I have lived in Westside Alamo (off of Camille Ave.) for over 50 years and I'm unaware of any robberies or violence that would warrant the need for more police.

Before voting for more police protection in westside Alamo I would appreciate receiving statistical information showing the increase in crime over the past 10 or 20 years in our area. I believe I speak for many residents who live in our area.
