NOTICE OF PUBLIC HEARING
CONTRA COSTA LOCAL AGENCY FORMATION COMMISSION

NOTICE IS HEREBY GIVEN that the Contra Costa Local Agency Formation Commission (LAFCO) will hold a public hearing on December 16, 2026, at 1:30 pm at the Contra Costa County Board of Supervisors chambers, 1025 Escobar Street, Martinez, CA. The purpose of the hearing is to receive written protests regarding the Alamo Police Services Reorganization proposal. The hearing will be conducted by the LAFCO Executive Officer as authorized by the Commission.

Alamo Police Services Reorganization: On October 14, 2026, the Commission considered an application to reorganize county service areas that provide enhanced police protection services in the unincorporated Alamo area. These services are currently delivered through multiple County Service Areas (CSAs), notably CSA P-5 (Round Hill), CSA P-2 (Zone B – Alamo), and various CSA P-6 zones. Contra Costa County applied to consolidate these service areas. Under the proposal, all remaining parcels within Alamo would be annexed into CSA P-5 (Round Hill). Territory to be annexed into CSA P-5 includes: territory within the existing CSA P-2 (Zone B – Alamo); territory within existing P-6 zones in Alamo; and areas of Alamo not currently within an enhanced police protection CSA. In addition, any Alamo territory that is currently within CSA P-2 (Zone B- Alamo) would be detached from CSA P-2. Further, territory that is currently within CSA P-2 but not within any CSA P-2 zone, including a specified territory west of Danville and specified parcels in the unincorporated Diablo area, would be detached from CSA P-2. The Commission also considered making amendments to respective spheres of influence. The reorganization was approved by LAFCO on October 14, 2026, subject to various terms and conditions as specified in the LAFCO resolution, which is available online at https://www.contracostalafco.org.

Filing a Written Protest Against the Reorganization. Any person who is registered to vote or owns land within the areas *to be annexed into* the current CSA P-5 (Round Hill) may submit a written protest to Contra Costa LAFCO. Valid protests must be in writing and mailed or delivered to the LAFCO office, 40 Muir Road, Martinez CA, or received at the protest hearing. In order to be counted, *your written protest must be received prior to the conclusion of the hearing* on December 16, 2026. Any protest without a date, bearing a date prior to the date of this notice (i.e., bearing a date prior to November 18, 2026), or submitted after the conclusion of the hearing will not be counted. A valid registered voter's protest must be signed and dated and must show the name and address appearing on the affidavit of registration. A valid landowner's protest must be signed and dated and bear an Assessor's Parcel Number. If you recently purchased your property or your name does not appear on the Contra Costa County Assessment Roll, you may be required to provide written evidence of ownership. Only an original signed protest will be accepted – protests submitted by fax or email will not be accepted. Protest forms are available by contacting the LAFCO office. Use of the form is encouraged, but not required.

Depending on the number of protests received before the close of the December 16, 2026 hearing, reorganization proceedings will be ordered to completion, ordered to an election subject to confirmation by registered voters within the affected territory, or terminated outright.
